Home by Morning Kaki Warner, 2015-07-07 The award winning author of *Where the Horses Run* makes her eagerly anticipated return to Heartbreak Creek for the final book in a trilogy of soul stirring historical romance. Thomas Redstone, a former Cheyenne warrior seeking new purpose by following the ways of his white grandfather, is returning to Heartbreak Creek, Colorado, when he decides to give the woman he loves one last chance to accept him into her life. Prudence Lincoln's beauty and education have brought her little joy. Envied by blacks for the advantages she's had and reviled by whites for her mixed blood, she's proving herself by helping ex-slaves prepare for newfound freedom. Thomas has no place in her future, no matter how much she loves him. He's suffered only hardship. She was raised in privilege. Their only common ground is the spark between them that won't die. Yet even as evil forces tear them apart, again they discover that courage can be a weapon, happiness is a choice, and love can triumph over anything. *Rough Creek* Kaki Warner, 2020-07-07 A cowboy with a troubled past and the woman he can't resist find love and second chances in *Rough Creek*, Texas, from the beloved and award winning author of Western romance Kaki Warner. After serving eighteen months in prison for a crime he didn't commit, Dalton Cardwell is looking for a fresh start. What better place than Whitcomb Four Star Ranch? He doesn't regret the decisions of his past; he'd choose the same roads again. But now all Dalton wants is to keep his head down and focus on the horses and on Raney Whitcomb. Raney is outraged when she learns her mother hired an ex-con. Raney has worked hard for the ranch, sacrificing her personal life for the dream of building on her family's legacy. But as Dalton breaks down every misconception and even wins the good opinion of her sisters, Raney is forced to rethink her stance and finally free herself to explore the heart-pounding tension that simmers between them. **Home to Texas** Kaki Warner, 2021-06-29 She's his last case; he's her fresh start. Two troubled ex-soldiers find new purpose and a second chance at love in this new contemporary western romance from award winning author Kaki Warner. Lieutenant KD Whitcomb had mapped out her career from West Point to the Pentagon. But when an injury under questionable circumstances forces her to leave the army, her dreams fall dead at her feet. Feeling lost and needing to rediscover the tough woman beneath the uniform, she heads back to the family ranch in *Rough Creek*. Only two things get her through the nightmares and sleepless nights: the support of her family and the CID officer investigating the incident in Afghanistan. He infuriates her. Makes her laugh. Gives her hope. Richard Murdock is struggling, too. There's something fishy about this last case and the threats coming from Afghanistan aimed at both him and KD. He's ready to leave the army and make a new start. But how will he protect KD? And what should he do about the growing attraction between them? He's been burned before. But there's something about KD's vulnerability and strength that calls to him, and he'll do whatever it takes to protect her and give her a chance to build new dreams, including helping her start a PTSD equine therapy program at the Texas ranch. If they can overcome the threats against them and heal old wounds, this second chance might be better than they ever dreamed. **Texas Tall** Kaki Warner, 2016-10-04 Award winning author Kaki
