Homilies On Ascension:

The Holy Spirit Within Saint John (of Avila), 2012 St John of Avila proclaimed a doctor of the Church in October 2012 offers illuminating insights on the Holy Spirit in this collection of homilies first published by Scepter in 1959 Presented as sermons given around the feasts of Ascension and Pentecost the saint speaks directly and to the point yet is thoughtful and affectionate in his style He proceeds in the form of a dialogue to present the Great Unknown The sermons begin with a short introduction and then come to a particular point supported by Scripture texts quotations from the Fathers well chosen illustrations and his own original insights Many believers may find these feasts somewhat puzzling and obscure St John shows how they are among the greatest feasts in the Christian calendar and deserve to be better understood The Early Church in Its Context Abraham J. Malherbe, Frederick W. Norris, James W. Thompson, 2014-04-09 This volume honors Professor Everett Ferguson of Abilene Christian University on the occasion of his sixty fifth birthday Reflecting the interests of the honoree the twenty one contributions focus on various aspects of the early church and its environment Together the articles form a broad tapestry of interrelated topics informed from the disciplines of philosophy patristic theology archaeology rhetoric art Greco Roman religion and biblical studies Ninety-nine homilies ... upon the Epistles and Gospels for forty-nine Sundays of the Christian year, tr. by J.M. Ashley Thomas Aquinas (st.), 1873 Homilies in a New Key Harvey D. Egan, 2021-09-17 These homilies on special liturgical feasts on Jesus Christ on spiritual topics on the feasts of celebrated saints and on special family occasions rethink creatively but in an orthodox way significant aspects of Christianity They resulted in part from over sixty years of Jesuit spirituality philosophical theological study graduate and undergraduate university teaching scholarly research and publishing and pastoral experience as well They reflect years of prayerfully contemplating and thinking deeply about the great Christian heritage in the context of the Second Vatican Council the recent biblical historical and theological scholarship and contemporary issues arising in American culture More specifically behind these homilies there stand unobtrusively the philosophical theological thinking of Karl Rahner and Bernard Lonergan the historical work of Bernard McGinn on the Christian mystical tradition and the outstanding biblical scholarship of N T Wright And yet my homilies attempt to remain faithful to the Mass readings and to the catechism of the hearts of those worshipping and prayerfully drinking in God's word addressed to them Those who have heard them claim they are deep existential exceptional and timely Blickling Homilies Richard J. Kelly, 2010-07-15 The Blickling Homilies date from the end of the tenth century and form one of the earliest extant collections of English vernacular homiletic writings The homiletic texts survive in a composite codex consisting of Municipal Entries for the Council of Lincoln 14th 17th century a Calendar mid 15th century Gospel Oaths early 14th century and the eighteen homiletic texts that are based on the yearly liturgical cycle The Blickling Homilies are an important literary milestone in the early evolution of the English prose The manuscript in the collection of William H Scheide housed in Princeton University Library MS 71 s x xi was published in facsimile by Rudolph

Willard in 1960 as Volume 10 of Early English Manuscripts in Facsimile Copenhagen It is the only Anglo Saxon MS still in private ownership and together with The Blickling Psalter are the only two Anglo Saxon MSS in the Americas The only previous edition of The Blickling Homilies is by Richard Morris published in three volumes in 1874 1876 1880 reprinted as one volume in 1967 This new edition makes a number of corrections where Morris's manuscript reading is in error The English translations are modernized and made more accurate The original text and facing page translation have been formatted into paragraphs which are hoped to further aid comprehension Finally the text and translation are accompanied by a general introduction textual notes on each homiletic text tables and charts and a select bibliography

Homilies Through the Liturgical Year* Pope Benedict XVI,2025-03-07 Pope Benedict XVI was known for his brilliant mind but he also had a heart in love with the Lord In this careful selection from his papal homilies readers can not only learn from his encyclopedic knowledge of the Christian tradition but grow in their own love for God as they journey with Benedict through the seasons and feasts of the liturgical year Lord I Love You Volume 1 includes the holiest days of Lent and Easter as well as other important solemnities such as Trinity Sunday and Corpus Christi making it an excellent choice for spiritual reading and a great Lenten gift idea for those who appreciated the late pope's message of the centrality of Christ and the reliability of the Catholic tradition Pope Benedict was not a charismatic preacher in the mold of his predecessor John Paul II but the texts themselves are gems of Christian exhortation and reflection that are best appreciated on one's knees in a chapel or held in one's hands in a quiet place in one's home that is in a book like this and not scrolling through a website For scholars and students of the late pope the collection also provides a helpful distillation of his main themes and principal concerns into short easily digestible pieces The editor Fr Pietro Rossotti uses the official Vatican translation with only minor spelling modifications and added footnotes with bibliographical references whenever possible **Cynewulf** Robert E. Bjork,2021-10-28 Two original essays and 16 published since 1950 offer a comprehensive view of Cynewulf his language and his poetry The collection contains important new statements on dates provenance and canon by R D Fulk and Patrick W Conner four influential essays that thoroughly explore Cynewulf's runic signature and poetic style and major contributions to our understanding of the four signed poems of Cynewulf Fates of the Apostles Christ II Juliana and Elene Three essays are devoted to each of these poems and the essays themselves exemplify a broad range of approaches to this highly elusive Anglo Saxon poet The volume complements existing
