Casey, 2021-11-15 In Turning Emotion Inside Out Edward S Casey challenges the commonplace assumption that our emotions are to be located inside our minds brains hearts or bodies Instead he invites us to rethink our emotions as fundamentally although not entirely emerging from outside and around the self redirecting our attention from felt interiority to the emotions located in the world around us beyond the confines of subjectivity This book begins with a brief critique of internalist views of emotion that hold that feelings are sequestered within a subject Casey affirms that while certain emotions are felt as resonating within our subjectivity many others are experienced as occurring outside any such subjectivity. These include intentional or expressive feelings that transpire between ourselves and others such as an angry exchange between two people as well as emotions or affects that come to us from beyond ourselves Casey claims that such far out emotions must be recognized in a full picture of affective life In this way the book proposes to turn emotion inside out Racial Emotion at Work Tristin K. Green, 2023-10-03 This is a book about our racial emotions as we experience them at work about the need to re set our institutional and not just our personal radars on racial emotions to situate our workplaces for racial justice success and about how we can go about that The point is not to define racism or discrimination in terms of emotions Discrimination is after all a problem of human behavior and outcomes not hearts and minds but seeing emotions as a source of discrimination can open up new avenues for change Racial Emotion at Work is an invitation to understand our own emotions and associated behaviors around race and also to change our institutions our law and work organizations for a fairer future for all Turning Inside Out Annette M Gurath, Ann M.
