Inside The Organic Church Learning From 12 Emerging Congregations:

Inside the Organic Church Bob Whitesel, 2006 An inside look at twelve emerging churches **Organix** Bob Whitesel, 2011-11-01 Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2 42 47 which at their core point to Christ's work on the cross Taken together these symbols spell out the word organix and represent a fundamentally new way to think about your church and how you can best lead *Jesus Radical, Righteous, Relevant (eBook)* Stephan Joubert, 2012-01-18 JESUS RADICAL RIGHTEOUS RELEVANT invites readers to think in a radically different way about Jesus by exploring where exactly He fits into Christianity the church and their lives Author Stephan Joubert unlocks readers' minds with a refreshing approach that enables them to determine where they belong in God's kingdom His church and His world JESUS RADICAL RIGHTEOUS RELEVANT guides readers to realize that Christians attach so much value to a church culture and have adapted the gospel to such an extent that Jesus has been pushed to the background JESUS RADICAL RIGHTEOUS RELEVANT is an open invitation to think differently about the Messiah to follow in Jesus' footsteps and experience Him as never before *A Sociology of Mystic Practices* Dann Wigner, 2018-06-08 This book investigates the process of spiritual borrowing between the emergent church EC and the Christian mystical tradition From its inception the EC has displayed interest in mystic practices but the exact nature of this interest or how these practices are appropriated and reinterpreted in the EC context has not been researched My research shows that the emergent church is appropriating Christian mystic practices by investing these practices with their own theological content The practices themselves are changed to fit in their new context showing that EC belief shapes EC behavior My study adds a new case study perspective to the sociological examination of the process of spiritual borrowing especially through close inspection of how a spiritual practice changes to fit a new theological context Additionally my book contributes to the study of the complex relationship between belief and behavior **re:MIX** Mark DeYmaz, Bob Whitesel, 2016-06-07 re:MIX Transitioning Your Church to Living Color is a practical guide for pastors denominational leaders and lay leaders who are seeking to transition their monoethnic congregations into healthy multiethnic churches of Christ

centered faith The book is theologically sound cross culturally relevant and based on field research It provides transferrable lessons and practices that are applicable in a variety of local church and denominational contexts Authors Mark DeYmaz and Bob Whitesel demonstrate that such transitions are not just timely or optional Indeed these biblically grounded transitions are necessary for churches pursuing growth and health in an increasingly diverse society By becoming a church of living color existing or declining churches present a more credible witness of God s love for all people and can achieve renewed significance and sustainability re MIX is full of instructive immediately useful information in a clear and easy to use format and includes sidebar stories from church leaders in a variety of denominations who have transitioned their congregations to living color Wow This is the practical tool for the church that I have been waiting for Pentecost didn t occur until the diversity of every nation under heaven was present This book will become recommended reading for all of my seminary students Mike Slaughter pastor author speaker and activist **A Church Wide Enough for Everyone** Steven H. Propp,2018-02-03

Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churchesand Christian theologydead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible **52 Ways to Ignite Your Congregation** Randy Hammer,2009-04-01

Greenhouses of Hope Dorie Grinenko Baker, 2010-11-12 Do you know a church where young people regularly shape the liturgy with words that speak their truth in ways that also inspire their elders Do you hear about congregations that reach out in quirky new ways to their ailing neighborhoods instead of locking doors and shipping out to a suburb Do you find churches creating hospitable space that invites the live wriggling questions and doubts of young people in unhurried unworried ways Do you see congregations where young people s gifts are not stored in the basement or bracketed into contemporary worship services but are brought forth and celebrated The authors who collaborated on this book launched a quest for such vibrant life giving greening congregations and observed the diverse practices that grow there They named these churches Greenhouses of Hope A Greenhouse of Hope is a Christian congregation freeing itself to experiment with both newly imagined and time honored ways of following the path of Jesus Its members respond to God s love through practices that genuinely embrace the gifts of youth and young adults Out of these greenhouses emerge young leaders who want to change the world In Greenhouses of Hope Dori Baker and six contributors tell the stories of these remarkable congregations helping others think about how they can create space for the dreams of young people to be grafted into God s dreams for the world

Organic Outreach for Churches Kevin G. Harney, 2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are

good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church's life *American Book Publishing Record*, 2007 *Church 3.0* Neil Cole, 2010-02-15 An expert practitioner answers to questions about the burgeoning organic church movement Neil Cole's best selling book *Organic Church* described the fastest growing segment of contemporary Christianity the so called organic church Now in this next step book he answers questions about how to deal with theological and organizational issues that come up He talks about issues such as what to do with finances children heresy leader training and rituals and ordinances Without the top down structure of a denomination even people who are proponents of this small house church model worry that they are not doing it right Offers an important resource for anyone involved with or thinking of starting an organic or house church Addresses practical issues of theology rituals doctrinal heresy how to handle children finances and other important questions Written by an acknowledged expert who is now and has been for over twenty years an organic church planter and practitioner A new Leadership Network title and follow up to *Organic Church* *Church 3.0* offers solid information about organic churches based on Cole's extensive experience in starting nurturing and mentoring in the organic church movement **ChurchMorph** Eddie Gibbs, 2009-08 The story of Abraham smashing his father's idols might be the most important Jewish story ever told and the key to how Jews define themselves In a work at once deeply erudite and wonderfully accessible Rabbi Jeffrey K Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness Offering a radical view of Jewish existence *The Gods Are Broken* views the story of the young Abraham as the primal trauma of Jewish history one critical to the development of a certain Jewish comfort with rebelliousness and one that happening in every generation has helped Jews develop a unique identity Salkin shows how the story continues to reverberate through the ages even in its connection to the phenomenon of anti-Semitism Salkin's work combining biblical texts archaeology rabbinic insights Hasidic texts some never before translated philosophy history poetry contemporary Jewish thought sociology and popular culture is nothing less than a journey through two thousand years of Jewish life and intellectual endeavor **Green Shoots out of Dry Ground** John P. Bowen, 2013-01-25 All over Canada from coast to coast there is new life in the Christian church In spite of declining numbers every Christian tradition has stories to tell of new ministries fledgling Christian communities and fresh expressions of church springing up sometimes in unlikely places Here seventeen authors with experience in areas such as church revitalization innovative ministry evangelism and church planting reflect on what they are seeing and how the lessons they have learned can guide us into ways of health and vitality They tell us about immigrant churches and indigenous ministries about youth research and environmental concerns

about churches in the city and churches in the country about leadership and spirituality Scattered throughout the book are ten exciting stories of new ministries and new churches from different traditions and different parts of the country all seeking to engage their communities with the Gospel Does the church in Canada have a future The answer these authors give is a resounding yes green shoots can grow out of dry ground if we are prepared to rise to the challenge and follow where the Spirit of God leads This book is timely comprehensive challenging and deeply encouraging **Deep Church** Jim

Belcher,2009-09-25 If you feel caught between the traditional church and the emerging church read Jim Belcher He paints a picture of an alternate deep church a missional church committed to both tradition and contemporary culture valuing innovation in worship arts and community but also adhering to creeds and confessions **The Ministry of the Word, Vol.**
