

Three's Company was a groundbreaking comedy series that tripped through a world of slapstick pratfalls and some of the most scandalously titillating comedy America had ever seen. Racy and daring for its time, this breakthrough farce ran for eight seasons on ABC. Forty years after it came to an end, it remains one of the best-loved television series of all time. This complete series set is a celebration of the exploits of Jack, Janet, Chrissy, Larry, Terri, The Ropers, and Mr. Furley and offers fans a chance to relive every episode and continue to laugh for years to come.

Come in Threes? Peter Kreeft, 2024-04-29 Since the beginnings of the Church much has been written about the Trinity in the Creator In this accessible book for ordinary Christians Peter Kreeft reflects on a different topic the Trinity in the creation Because as G K Chesterton put it in creating us God broke His own law and made a graven image of Himself it comes as no surprise that we find a Trinitarian structure embedded in our lives not to mention the universe itself While the fact that so many things come in threes does not prove the dogma of the Trinity it does give powerful clues to this truth about the nature of ultimate reality Join the journey with Peter Kreeft and explore the threefold structure of everything [Delphi Collected Works of E.
