**The It Girls** Caroline Young, 2025-03-18 The first book to explore the history of the It girl across the centuries. Nell Gwyn and Clara Bow, Marilyn Monroe and Edie Sedgwick, Jean Seberg and Margaux Hemingway, Paris Hilton and Kim Kardashian. These names all conjure up images of glamor and celebrity as well as the toxic side of fame. They are the faces of their generation, the ones we can't look away from and the ones who inevitably self-destruct. In *The It Girls: Glamor, Celebrity and Scandal*, Caroline Young delves into the history and lives of these explosive trend-setting women. From seventeenth-century London to twenty-first-century Seoul, Young tells the fascinating, oftentimes tragic stories of the women who have been celebrated for their looks and scandalized for their actions in equal measure. She explores how the It girls defined and set new standards of beauty, including the red-haired muses of the Pre-Raphaelite artists, the World War II pin-up, the crop-haired icons of the sixties, and the cosmetically enhanced social media darlings of today, and how, no matter the era, the treatment of these It girls is universal. While they are lauded and emulated, they are also scrutinized and criticized. The stories of the It girls are laced with childhood trauma, misogyny, gaslighting, and exploitation, revealing that fame and adoration don't always equate to happiness. *The It Girls* is a captivating examination of women's history, offering a reevaluation of how women have been celebrated and objectified over the centuries.

**Everything I've Learned about Motherhood (From My Single-Parent Dad)** Zeena Moolla, 2021-02-24 A refreshing, laugh-out-loud, real-talk tonic of a book written from the heart will be a comfort to many new parents. Laura Dockrill, uplifting and inspiring Jo Middleton, slummy single mummy. Motherhood is amazing, and the devotion you encounter is staggeringly strong. But when you're in the eye of the shitstorm, veering between love and lunacy, wondering how this tiny, adorable human can wreak so much bedlam in your life, I believe you need a robust sense of humour to help save your sanity. For Zeena Moolla, the early days of being a new mum were a heady cocktail of sleepless nights, acid reflux, and aching boobs. But finding the funny in the chaos buffered so much of the stress. And she has her dad to thank. Being brought up solely by a single dad, one of a foreign Muslim background, exemplified beautifully that parenting and families come in all different shapes and sizes. His massive-hearted parenting shaped the kind of mother Zeena is, and as the funniest person she knows, he can also turn any situation around with warmth, wit, and a cheese sandwich. If that's not a vital skill in parenting, then what is? With top tips for surviving sleep deprivation.
