**Instant Wealth Wake Up Rich!** Christopher Howard, 2009-11-09 How to build wealth with passion and purpose The power to create great wealth is already within you But monetizing that raw energy doesn't happen by itself As Christopher Howard shows building great wealth is a dual process It begins by identifying your passion the things you truly and deeply care about whatever they may be Next passion needs to be endowed with purpose a clearly defined vision of the future you intend to create Once this happens money is simply the natural reward When you bring the value of passion and purpose to the marketplace financial prosperity is the instant result It's like awakening to a new reality not just for yourself but for everyone who shares in your success And make no mistake sharing is a key element in the success of Bill Gates Oprah Winfrey Richard Branson and the other billionaire entrepreneurs Chris introduces in these pages Instant Wealth Wake up Rich proves that ultimate success is by no means a matter of selling out principles in order to become rich On the contrary it's becoming rich in order to bring that riches to the world As a true entrepreneur himself Christopher Howard has put these lessons to work in the creation of his own fast growing international business What's worked for him and for so many other hugely successful entrepreneurs can work for you too All it takes is passion purpose and waking up to instant wealth
