Institutional Violence Institutional Violence:

Institutional Violence Deane W. Curtin, Robert Litke, 1999 Violence can be physical and psychological It can characterize personal actions forms of group activity and abiding social and political policy This book includes all of these aspects within its focus on institutional forms of violence Institution is also a broad category ranging from formal arrangements such as the military the criminal code the death penalty and prison system to more amorphous but systemic situations indicated by parenting poverty sexism work and racism Violence is as complex as the human beings who resort to it its institutional forms pervade our relational lives We are all participants in it as victims and perpetrators The chapters in this book were written in the hope that violence can be explicated even if not fully understood and that such clarification can help us in devising less violent forms of living even if it does not lead to its total abolition The studies bring new aspects of violence to light and offer a number of suggestions for its remedy

Genesis Miguel A. De La Torre, 2011-01-01 This volume in the Belief series provides a new and interesting theological interpretation of Genesis through the themes of liberation and the concerns of the poor and marginalized De La Torre wrestles with Genesis texts

remembering Jacob's wrestling at Peniel Gen 32:24-32 and finds that there are consequences when we truly wrestle with the biblical text struggling to see the face of God This commentary provides theological and ethical insights that enables the book of Genesis to speak powerfully today **Handbook of Research in the Social Foundations of Education** Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 Parts one and two of this volume present the theoretical lenses used to study the social contexts of education These include long established foundations disciplines such as sociology of education and philosophy of education as well as newer theoretical perspectives such as critical race theory feminist educational theory and cultural studies in education Parts three four and five demonstrate how these theoretical lenses are used to examine such phenomena as globalization media popular culture technology youth culture and schooling This groundbreaking volume helps readers understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study This book is appropriate as a reference volume not only for scholars in the social foundations of education but also for scholars interested in the cultural contexts of teaching and learning formal and informal It is also appropriate as a textbook for graduate level courses in Social Foundations of Education School and Society Educational Policy Studies Cultural Studies in Education and Curriculum and Instruction

Progressive Mothers, Better Babies Okezi T. Otovo, 2016-05-31 In Bahia Brazil the decades following emancipation saw the rise of reformers who sought to reshape the citizenry by educating Bahian women in methods for raising better babies The idealized Brazilian would be better equipped to contribute to the labor and organizational needs of a modern nation Backed by many physicians politicians and intellectuals the resulting welfare programs for mothers and children mirrored complex debates about Brazilian nationality Examining the local and national contours of this movement Progressive Mothers Better Babies investigates families medical institutions state building and social stratification to trace the resulting policies which gathered momentum in the aftermath of abolition 1888 and the declaration of the First Republic 1889 culminating during the administration of President Getúlio Vargas 1930-1945 Exploring the cultural discourses on race gender and poverty that permeated medical knowledge and the public health system for almost a century Okezi T. Otovo draws on extensive archival research to reconstruct the implications for Bahia where family patronage politics governed poor women's labor as the mothers who were the focus of medical interventions were often the nannies and nursemaids of society's wealthier families The book reveals key transition points as the state of Bahia transformed from being a place where poor families could expect few social services to becoming the home of numerous programs targeting the poorest mothers and their children Negotiating crucial questions of identity this history sheds new light on larger debates about Brazil's past and future

Studying Diversity in Teacher Education Arnetha F. Ball, Cynthia A. Tyson, 2011-01-16 Studying Diversity in Teacher Education is a collaborative effort by experts seeking to elucidate one of the most important issues facing education today First the volume examines historically persistent yet unresolved issues in teacher education and presents research that

Criminal Resistance? Temitope B. Oriola, 2016-05-13 Crude oil extraction in the Niger Delta region of Nigeria generates 96% of all foreign earnings and 85% of state revenues making it crucial to the survival of the Nigerian state Several generations of state neglect corruption and mismanagement have ensured that the Delta region is one of the most socio economically and politically deprived in the country By the late 1990s there was a frightening proliferation of armed gangs and insurgent groups Illegal oil bunkering pipeline vandalism disruption of oil production activities riots and demonstrations intensified and in 2003 insurgents began kidnapping oil workers at a frenetic pace In late 2005 an uber insurgent movement organization was formed in Nigeria Christened the Movement for the Emancipation of the Niger Delta MEND it operates as an amorphous multifaceted amalgam of insurgent groups with an unprecedented clinical precision in execution of intents By focussing on kidnappings that are putatively connected to the struggle for emancipating the Niger Delta Oriola makes the case for analysing MEND as a social movement organization rather than a terrorist or criminal gang by showing how political processes shape kidnappings in the Delta The use of violent repertoires of contention has not garnered sufficient attention in the social movement literature despite the fact that that around the world many similar groups are adopting violent tactics without necessarily eschewing non violent techniques Based on multi actor research including interviews and focus group discussions with community members military authorities 42 ex insurgents directly involved in illegal oil bunkering and kidnapping and official email statements from Jomo Gbomo the spokesperson of MEND this book will be of interest to sociologists political scientists and peace and security studies scholars
