

The book cover features a central illustration of a young man's face, likely a soldier, wearing a military cap. He has a somber expression and is looking slightly to the right. The background behind him is a dark, textured wash of brown and black, with horizontal streaks suggesting a storm or a night sky. In the foreground, a railway bridge with several large, dark, arched supports spans across the bottom of the cover. The bridge is illuminated from below, creating a strong red and orange glow that contrasts with the dark background. The overall mood is one of tragedy and historical significance.
