Critical Rhetorics of Race Michael G. Lacy, Kent A. Ono, 2011-07-11 According to many pundits and cultural commentators the U S is enjoying a post racial age thanks in part to Barack Obama s rise to the presidency This high gloss of optimism fails however to recognize that racism remains ever present and alive spread by channels of media and circulated even in colloquial speech in ways that can be difficult to analyze In this groundbreaking collection edited by Michael G Lacy and Kent A Ono scholars seek to examine this complicated and contradictory terrain while moving the field of communication in a more intellectually productive direction An outstanding group of contributors from a range of academic backgrounds challenges traditional definitions and applications of rhetoric From the troubling media representations of black looters after Hurricane Katrina and rhetoric in news coverage about the Columbine and Virginia Tech massacres to cinematic representations of race in Crash Blood Diamond and Quentin Tarantino s films these essays reveal complex intersections and constructions of racialized bodies and discourses critiquing race in innovative and exciting ways Critical Rhetorics of Race seeks not only to understand and navigate a world fraught with racism but to change it one word at a time

Daddy Hold Me, I'm Scared Rose Anna Miller, Rose Anna Miller. MSW, 2007-10-05 Let me start by saying I LOVE TEENAGERS Considering my age you might chalk this off to dementia but the truth is the more rebellious a teen the more I love them Rebellion is misdirected energy What a challenge to guide that energy into positive channels The fun and reward comes in the journey of getting there I have spent most of my life working with teens and am now retired after thirty years employed by the State of Utah This book is the

culmination of my experiences with youth the laughter and the tears the triumphs and the defeats *Strength for Their Journey* Dr. Robert L. Johnson, Dr. Paulette Stanford, 2002-10-01 The result of more than twenty years collaborative work focusing on the heart of successful parenting the acclaimed five disciplines program developed by Drs Robert L Johnson and Paulette Stanford has helped thousands of African American children and their parents cope with the myriad of social challenges they confront each day Now making this special prescription available to all parents *Strength for Their Journey* offers insight into five interconnected areas Traditional Discipline The Strength to Embrace Parental Boundaries Racial Discipline The Strength to Negotiate the Realities of Being a Racial Minority Emotional Discipline The Strength to Resist Negative Peer Pressure and Temptation Practical Discipline The Strength to Excel in School Career and Financial Pursuits Mind Body Discipline The Strength to Maintain Positive Physical Mental and Spiritual Health In a culture that often grants fewer safety nets to nonwhite children *Strength for Their Journey* is a crucial book that African American parents can turn to again and again paving a path of confidence and joy for future generations *Awesome Families* Kathleen E. Jenkins, 2005 Denounced by some as a dangerous cult and lauded by others as a miraculous faith community the International Churches of Christ was a conservative evangelical Christian movement that grew rapidly in the 1980s and 1990s Among its followers promises to heal family relationships were central to the group s appeal Members credit the church for helping them develop so called awesome families successful marriages and satisfying relationships with children family of origin and new church brothers and sisters The church engaged an elaborate array of services including round the clock counseling childcare and Christian dating networks all of which were said to lead to fulfilling relationships and exciting sex lives Before the unified movement s demise in 2003 2004 the lure of blissful family life led more than 100 000 individuals worldwide to be baptized into the church In *Awesome Families* Kathleen Jenkins draws on four years of ethnographic research to explain how and why so many individuals primarily from middle to upper middle class backgrounds were attracted to this religious group that was founded on principles of enforced community explicit authoritative relationships and therapeutic ideals Weaving classical and contemporary social theory she argues that members were commonly attracted to the structure and practice of family relationships advocated by the church especially in the context of contemporary society where gender roles and family responsibilities are often ambiguous Tracing the rise and fall of this fast growing religious movement this timely study adds to our understanding of modern society and offers insight to the difficulties that revivalist movements have in sustaining growth *The Living Word 2022-2023* Kate Cousino, Julie Dienno-Demarest, Aires Patulot, Liza N.
