Lotus Of Another Color:

A Lotus of Another Color Rakesh Ratti, 1993 An Unfolding of the South Asian gay and lesbian experience Gay men and lesbians from India Pakistan and other South Asian countries tell their stories **Q & A Queer And Asian** David L. Eng, Alice Y. Hom, 1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation Social Perspectives in Lesbian and Gay Studies Peter M. Nardi, Beth E. Schneider, 1998 In this book students will be able to follow the story of how sociology has come to engage with lesbian and gay issues from the 1950s to the present *A Patchwork Shawl* Shamita Das Dasgupta, 1998 A Patchwork Shawl sheds light on the lives of a segment of the U S immigrant population that has long been relegated to the margins It focuses on women s lives that span different worlds Bangladesh India Pakistan and the United States This collection of essays by and about South Asian women in America challenges stereotypes by allowing women to speak in their own words Together they provide discerning insights into the reconstruction of immigrant patriarchy in a new world and the development of women s resistance to that reconstruction Shamita Das DasGupta s introduction also acquaints readers with the psychological topography of the South Asian community A Patchwork Shawl considers topics from re negotiation of identity to sexuality violence to intimacy occupations to organizing within the community The essays bear witness to women s negotiations for independent identities their claim to their own bodies and the right to choose relationships based on their own histories and truths They bring new understanding to the intersection of gender ethnicity race sexuality and class **Current Research on Bisexuality** Ronald Fox, 2013-04-03 Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research

findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Classics in Lesbian Studies Esther D Rothblum, 2013-08-27 *Classics in Lesbian Studies* takes a major step in giving the lesbian experience its own unique voice within scholarship and the larger world society Thus it is devoted exclusively to the lesbian experience and serves as a vehicle for the promotion of scholarship and commentary on lesbianism from an international perspective Not only does it ensure that classic pieces are not forgotten by new generations of students and scholars it also spurs further lesbian research writing theory and scholarship In *Classics in Lesbian Studies* you are introduced to descriptive theoretical empirical applied and multicultural perspectives in the field of lesbian studies Interdisciplinary the book presents pieces from various academic areas in multiple formats including personal accounts poetry editorials debates and commentaries For your convenience the chapters are organized primarily across four categories identity history and literature physical and social sciences and back to lesbian politics You will find the discussions of the following issues and subjects provocative and insightful ways black women in the diaspora construct and name their sexual and romantic feelings for other women lesbian identity formation in a changing social environment how lesbians maneuver in the dominant culture and their own subculture lesbianism as a political movement the experiences of lesbian adolescents teaching lesbian studies lesbians and societal institutions including the work place the media the political arena the legal system and religion using lesbian feminist scholarship to reexamine women's lives in the past Students scholars lesbian feminists and others interested in lesbian studies will find *Classics in Lesbian Studies* a vital examination of lesbianism since its grass roots Not only does it consider the progress made since the initial days of fighting for liberation it also explores a more distant repressed past and anticipates future possibilities lying before us This powerful insightful collection is sure to become a classic as it grapples with virtually all aspects of lesbianism from its inception as a political movement to its identity as a lifestyle choice to its implications of community

From Sin to Amazing Grace Patrick S. Cheng,2012-03 This book provides a unique synthesis of liberation queer and postcolonial theologians over the last few decades within a unified theological framework It Will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God s saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ Publisher

The Greenwood Encyclopedia of Asian American Literature Guiyou Huang,2008-12-30 Asian American literature dates back to the close of the 19th century and during the
