Five women stand in a police lineup four of them are garishly dressed impressively endowed superwomen perfectly normal because this is after all the cover of a comic book A closer look however reveals a fifth woman who seems thoroughly out of place mousy in bathrobe and curlers smoking a cigarette she appears to have been suddenly yanked from her breakfast table Surely this diminutive dowdy woman is here by mistake or is she From the very first cover of the very first issue of Love and Rockets in 1982 Gilbert and Jaime Hernandez have created artwork that has subverted contradicted and celebrated the history of the comic book medium inverting familiar tropes and creating some of the most iconic images in comics over the past three and a half decades inviting fans and readers into their world Amazingly many of the covers created by Gilbert and Jaime Hernandez for the various iterations of Love and Rockets over the past 35 years have never been collected or have only been reprinted in black and white Love and Rockets The Covers will not only rectify this problem but present them without trade dress logos marketing hype etc allowing the original cover illustrations to communicate on their own

How do you follow up a one two punch like Jaime Hernandez's stunning two part masterpiece The Love Bunglers from LRNS 3 and 4 which sent Maggie and Ray's relationship in a startling new direction as well as providing some mind blowing revelations about Maggie's and her family's past If you're Jaime you deftly move sideways and switch focus to other characters specifically Ray's ex the rambunctious Frogmouth In Crime Raiders International Mobsters and Executioners Muneca the Frogmouth's half sister comes to visit for a weekend and sees what kind of life the Frog Princess is living with Reno and Borneo as well as a brand new character or two On the other brother side Gilbert Hernandez celebrates the 30th anniversary by bringing one of his current characters Killer granddaughter to the legendary Luba into the Palomar milieu in a story that showcases a fictionalized movie Palomar starring Fritz as a combination of Luba and Tonantz n even as it brings back a number of the classic Palomar characters for real This will be a much anticipated homecoming for fans of the classic Love and Rockets of the 1980s Thirty years in Love and Rockets continues to surprise and delight
