

SHORT LOVE STORY

A boy was dating a girl who always hurt him. One day, she broke up with him and told him, "I don't ever want to see you again."

A few months later, the girl had a change of heart. She realized that she loved the boy, so she went back and said to him, "Give me just one more chance. I love you and I need you. I promise that I will never hurt you again."

But the boy just laughed and said to her, "Only a fool would take back someone who hurt them so much."

The girl felt hopeless and began to cry, but the boy put his arms around her, held her tightly and said, "...and I am one of those fools."

How to be a Great Storyteller Online Bhavik Sarkhedi, 2021-07-31 Storytelling is pretty much the most basic and important way of communication since ancient times One has always conveyed a piece of information through storytelling The concept of storytelling is not difficult to understand it is clear it is simple to tell a story Now telling a story to describe something in a better and more convenient manner is art Storytelling is used to reach the masses and make the subject much easier to comprehend In ancient times all the cave dwellers used pigment to paint on walls with their hands to create stories and myths The ancient Greeks carved their language into walls to tell how history was moving forward The Chauvet cave in France is the oldest representation of storytelling It was found thus far dating to 36 000 years ago The storytelling there is about the cave paintings that are believed to tell the story of a volcanic eruption according to many articles published online In today's era storytelling is yet another very crucial method of disseminating information Also it is vividly clear that the internet is a part of our lives The internet answers so many things the maximum topics we want to know the answers for Now culminating these very important methods storytelling and the internet it makes the writer powerful enough to reach the maximum number of people and tell them the concept or the message or the information via storytelling It makes the writer's work reach as many people as possible hence the storytelling technique makes it easier for the readers to understand and relate to the writer's work

My Journey Down the Reincarnation Highway Frank Mares, 2012-11-17 My Journey down the Reincarnation Highway is the first book of the author's four book spiritual memoir series In this personal account Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives More people than you would believe have prior life memories This book tells how the author acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family As part of his soul's continuing quest for redemption Mares hopes to salvage the dark time in his soul's past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again
