Love Your Gay Neighbor Instructions From The Bible:

Love Your Neighbor Norman L. Geisler, Ryan P. Snuffer, 2007-07-09 Love Your Neighbor is a concise introduction to Christian ethics It begins with a look at the biblical basis for morality defines and describes various philosophical approaches to the subject of ethics then connects biblical morality with the idea of absolute truth in philosophy The book then moves from its philosophical basis to a practical application of Christian ethics considering a wide range of social biomedical and personal issues It does not take a partisan or denominational approach to these issues but squarely faces them with an open mind and open Bible The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues **I'm Gay and I'm Going To Heaven** Tom
