Gorgeous, charming, and unlike any other man she's ever met, finding the right woman for Clay should be easy. [Television Across Asia](#) Michael Keane, Albert Moran, 2003-10-16. This book explores the trade in television program formats, which is a crucially important ingredient in the globalisation of culture in Asia. It examines how much traffic there is in program formats, the principal direction of flow of such traffic, and the economic and cultural significance of this trade for the territories involved and for the region as a whole. It shows how new technology, deregulation, privatisation, and economic recession have greatly intensified competition between broadcasters in Asia, as in other parts of the world, and discusses how this in turn has multiplied the incidence of television format remakes, with some countries developing dedicated format companies and others becoming net importers and adapters of formats. immigrant community but now she's ambushing Raina with a list of suitable bachelors. Is it too much to ask for a little space? Besides what Nani doesn't know won't hurt her. As Raina's life spirals into a parade of Nani-approved bachelors and disastrous blind dates, she must find a way out of this modern-day arranged marriage trap without shattering her beloved grandmother's dreams. *The Matchmaker's Surrender* Tammy L. Games in the Global Village Anne Cooper-Chen, 1994. Q: What is the most watched TV format in history seen by about 100 million people weekly around the world? A: Wheel of Fortune, a game show. Without putdowns or pandering, the author looks at 260 such shows concluding that culture has triumphed over technology. For despite our capacity to transmit the same content world wide, McLuhan's global village has not come to pass. Technology has however encouraged already existing cultural continents to coalesce. About one third of the world's game shows have been licensed or adapted from another country, especially from the United States. Conversely, a single program can cross borders unchanged, such as *Sabado Gigante*, which appeals to Spanish speakers in 18 countries. The first truly global study of TV entertainment, this book includes interviews with producers, contestants, and licensors. With its tables, illustrations, and appendices, the text provides details on content and audiences as well as explanatory overviews. *A Matchmaker's Christmas* Donna Lea Simpson, 2014-12-17.
