many times for him to doubt that the mole was real And just maybe he knew who it was knew more than the code name Parsley But could he live long enough to do something with the information The mole was in a position to use both American and Russian agents to get at Sloane and he was taking advantage of that All Sloane had on his side was a vacationing political science instructor Freddie Falscape and a finely honed tradecraft Finally the woman was willing to help Now it was a matter of time
