Loving My Season Of Good Credit Bad Credit Be Gone:

Money Management Turn Bad Credit Into Good Credit Robert Anderson,2020-02-09 It seems that everywhere you turn someone wants to know your credit score It doesn't matter if this is you or someone from your bank Many landlords will even run a potential renter's credit as this will usually give them insight as to whether the person will pay their rent The landlords will also have guidelines to use in order to tell you if you are approved or not approved based on your credit score While some may allow you to have a cosigner if you are not approved they will also want to run your co-signer's credit report This is often frustrating to many people especially when you are trying to repair your credit It can make you feel that you are never given a break or that your identity is now your bad credit It doesn't have to be this way In fact the more you learn about the details of what bad credit is and how there are federal laws to help you overcome bad credit the faster you will find yourself in financial freedom Your credit score is vital to your life It is something that helps you to enjoy life as you have added access to financial services and various investments You must understand how your score can directly influence what you can purchase so that you can enjoy your life The problems you have with your credit score can be very dramatic and you might not be fully aware of what affects your credit score or how valuable it is to you Those people who pay off their debts and lines of credit with on time payments will be more likely to have better credit ratings There are many things relating to your credit score that should be explored that go well beyond just your payment history **When Destiny Calls** Pastor G. Forever, That's How Long I'm Going to Love You Zeke Smith,2012-04-23 A modern day love story about a couple named Zeke and Legs Zeke sprung from a world filled with danger and secrets He was raised by two parents that instilled strong moral values in him Zeke instead began to favor the excitement of the street life Legs on the other hand was a stunning beauty from a loving family that fell victim to the negative trappings of urban life Their paths crossed as they were beginning

to live a normal life Legs and Zeke fell madly in love in only a short time Their lust and desire for each became a priority They decided to marry when a child was on the way This began the drama that was their life Keep an open mind as you relive their lives The story is written with truth and detailed accounts of the many events that took place They both found God and sought redemption through Jesus the Christ Don't let the discomfort of their acts deter you from reading their entire story Remember they had to live through it too The real heroes of the story are God and Christ consequently without the resurrecting power of the almighty their lives may have remained lost I suggest you keep a Bible close by just as I did while writing the story
