Loving Her Soul Mate:

The Art (and Science) of Loving Your Soulmate: Men...Read This Book, Women...If He Won't, Buy It for Him! J. Gary Ratcliff, 2016-12-20 Love ain't what it used to be. These days great numbers of couples live in a basic partnership that is very short on love and affection. Men especially have forgotten or worse have never learned how to love a woman. Many men give a diluted form of love to get sex while women give sex to get love, affection and attention. It's an exchange that devalues the currency of both love and sex. Yet when they both partners just give pure affectionate love, the sex will come naturally and be the best they've ever had. Men don't realize that they will get back in equal proportions, sometimes more what they give. Love is an art and a science. Read this book several times. Take it to heart and watch your relationship grow better than it's ever been. It may take a little time before your partner begins to trust that this is a real change and not just a trial, but once trust arrives, look out! The fireworks will never stop and the more you do it, the more satisfying it gets. **I See Your Soul Mate**

The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us and that two people are brought together for a divine plan that will contribute towards a higher purpose.
