Serial Authorship and New Directions in Spanish Female Detective Fiction Inmaculada Pertusa-Seva, Melissa A. Stewart, 2024-10-11 This collection of essays expands our understanding and appreciation of the body of work by established female authors of Spanish crime fiction series by analyzing recent narratives that in some cases contribute in novel ways to the ongoing reformulation of the genre and in others provide readers with a temporary hiatus from it The studies offer students and scholars of crime fiction new perspectives on the works of well known authors as well as analyses of their often less known narratives that may not fit within the genre Readers will engage in an exploration of gender dynamics and sexuality a variety of psychological and social issues and the consequences of the indiscriminate consumption of media and abuse of the environment and animals in narratives that exhibit the versatility of these outstanding authors The volume will appeal to a wide audience of literary and cultural studies critics as well as crime fiction enthusiasts and newcomers to this popular genre *Muertos de papel* Alicia Giménez Bartlett, 2025-07-16 Un caso de Petra Delicado la inspectora más famosa
