Home Ground Language For An American Landscape:

Home Ground Barry Lopez, Debra Gwartney, 2011-04-14 Published to great acclaim in 2006 the hardcover edition of Home Ground Language for an American Landscape met with outstanding reviews and strong sales going into three printings A language lover's dream Home Ground revitalized a descriptive language for the American landscape by combining geography literature and folklore in one volume Now in paperback this visionary reference is available to an entire new segment of readers Home Ground brings together 45 poets and writers to create more than 850 original definitions for words that describe our lands and waters The writers draw from careful research and their own distinctive stylistic personal and regional diversity to portray in bright precise prose the striking complexity of the landscapes we inhabit Home Ground includes 100 black and white line drawings by Molly O Halloran and an introductory essay by Barry Lopez

The Politics of Nature and Environmental Writing Rod Giblett, 2025-11-01 This book defines nature writing as the creative practice of tracing the bodily and sensory enjoyment of nature in the broad sense of the processes and places of land air and water in prose poetry and poetic prose In so doing it celebrates the creative practice of selected nature and environmental writing as well as related cultural critique Giblett draws on the work of Gilles Deleuze Felix Guattari and Mikhail Bakhtin to establish what nature writing is and on Michel Foucault to distinguish what it is not He discusses Aboriginal storytelling as well as the work of classic nature writers including Henry David Thoreau Aldo Leopold and John Muir He also considers writing on environmental conservation and politics as well as the new nature writing found in the work of authors such as Richard Mabey Robert Macfarlane Caroline Crampton and Rachel Lichenstein Through all of this contemplation the book invites readers to love their local places plants and animals through creative practice

How to Read the American West William Wyckoff, 2014-05-01 From deserts to ghost towns from national forests to California bungalows many of the features of the western American landscape are well known to residents and travelers alike But in How to Read the American West William Wyckoff introduces readers anew to these familiar landscapes A geographer and an accomplished photographer Wyckoff offers a fresh perspective on the natural and human history of the American West and encourages readers to discover that history has shaped the places where people live work and visit This innovative field guide includes stories photographs maps and diagrams on a hundred landscape features across the American West Features are grouped according to type such as natural landscapes farms and ranches places of special cultural identity and cities and suburbs Unlike the geographic organization of a traditional guidebook Wyckoff's field guide draws attention to the connections and the differences between and among places Emphasizing features that recur from one part of the region to another the guide takes readers on an exploration of the eleven western states with trips into their natural and cultural character How to Read the American West is an ideal traveling companion on the main roads and byways in the West providing unexpected insights into the landscapes you see out your car window It is also a wonderful source for armchair

travelers and people who live in the West who want to learn more about the modern West how it came to be and how it may change in the years to come Showcasing the everyday alongside the exceptional Wyckoff demonstrates how asking new questions about the landscapes of the West can let us see our surroundings more clearly helping us make informed and thoughtful decisions about their stewardship in the twenty first century Watch the trailer <http://www.youtube.com/watch?v=aYSmp5gZ4I>

No Bottom Mike Newell, 2008 Cultural Writing NO BOTTOM informally tracks the life and letters of American icon and world revered author Barry Lopez whose literature of hope reminds readers the way we take care of ourselves is by taking care of each other This nonfiction book is a primer for newcomers to Lopez s work a haven for aficionados and a baedeker for academicians It includes an original interview and a provocative inquiry into Barry Lopez s six short story books These portals provide grounding for new arrivals to Lopez s insatiable Trickster wit and yield reader friendly end notes for academicians This book shows once again why many of us think of Barry Lopez as a national treasure

makes a home What do equality safety and politics have to do with it And why is it so important to us to feel like we belong In

this collection 30 women writers explore the theme in personal essays about neighbors marriage kids sentimental objects homelessness domestic violence solitude immigration gentrification geography and more Contributors including Amanda Petrusich Naomi Jackson Jane Wong and Jennifer Finney Boylan lend a diverse range of voices to this subject that remains at the core of our national conversations Engaging insightful and full of hope This is the Place will make you laugh cry and think hard about home wherever you may find it This collection encompassing a spectrum of races ethnicities religions sexualities political beliefs and classes could not be timelier open this book hear its chorus of voices and remember that we are a nation of individuals bound to each other by our humanity The New York Times Book Review an honest portrait of the U S pieced together like an imperfect American quilt We need more books like this BUST *Other Country* James Perrin Warren,2015-12-03 The award winning American environmental writer Barry Lopez has traveled extensively in remote and populated parts of the world Lopez s fiction and nonfiction focus on the relationship between the physical landscape and human culture posing abiding questions about ethics intimacy and place Other Country presents a full scale treatment of Lopez s work James Perrin Warren examines the relationship between Lopez s writing and the work of several contemporary artists composers and musicians whose works range from landscape photography painting and graphic arts to earth art ceramics and avant garde music The author demonstrates Lopez s role in creating this community of artists who have led cultural change and shows that Lopez s writing and his engagement with the natural world creates an other country by redefining boundaries rediscovering a place and renewing our perceptions of landscapes Warren s critique examines manuscripts and typescripts from the 1960s to the present interviews with Lopez conducted from 2008 to 2013 and interviews with artists Part 1 focuses on the relationship between Lopez s storytelling which he calls a conversation with the land and Robert Adams s landscape photography For both Lopez and Adams a worthy artistic expression serves the cultural memory of a community reminding us how to behave properly toward other people and the land Part 2 looks at the collaborative friendship of Lopez and visual artist Alan Magee tracking the development of Lopez s short stories through a consideration of Magee s career Part 3 moves farther afield discussing Lopez s relationship to Richard Long s earth art Richard Rowland s ceramics and John Luther Adams s soundscapes Other Country reveals the dynamic relationships between Lopez considered by many the most important environmental writer working in America and the artistic community who seek to explore the spiritual and ethical dimensions of an honorable and attentive relationship to the land and thus offer profound implications for the future of the planet **The Call of the Honeyguide** Rob Dunn,2025-08-26 A must read David George Haskell that shows how rethinking our relationships with other species can help us reimagine the future of humankind In the woodlands of sub Saharan Africa sometime deep in our species past something strange happened a bird called out not to warn others of human presence but to call attention to herself Having found a beehive that bird a honeyguide sought human aid to break in The behavior can seem almost miraculous How would a bird come to think that people could help her Isn t life

simply bloodier than that As Rob Dunn argues in *The Call of the Honeyguide* it isn't Nature is red in tooth and claw but in equal measure life works together Cells host even smaller life wrapped in a web of mutual interdependence Ants might go to war but they also tend fungi aphids and even trees And we humans work not just with honeyguides but with yeast crops and pets Ecologists call these beneficial relationships mutualisms And they might be the most important forces in the evolution of life We humans often act as though we are all alone independent from the rest of life As *The Call of the Honeyguide* shows we are not It is a call to action for a more beneficent less lonely future *Archive Activism* Charles Francis, 2023-09-15

Archive Activism is a memoir of activism rooted in a new way to converse with history by rescuing it Archive activists discover documents and other important materials often classified gone missing or sealed that somehow escaped the fireplace or shredder It is an approach to LGBTQ advocacy and policy activism based on citizen archiving and original archival research to effect social change Research Activism is the formula growing out of Charles Francis's personal story as a gay Texan born and raised during the 1950s and 1960s in Dallas The rescues range in time and place from Francis's first encounter with a raucous near violent religious demonstration in Fort Worth to attics loaded with forgotten historic treasures of LGBTQ pioneers *Archive Activism* tells how Francis helped Governor George W Bush achieve his dream of becoming president in 2000 by reaching out to gay and lesbian supporters the first time a Republican candidate for president formally met with gay and lesbian Americans This inspired Francis to engage with deleted LGBTQ history by forming a historical society with an edge a new Mattachine Society of Washington DC For the first time *Archive Activism* reveals how LGBTQ secrets were held for decades at the LBJ Presidential Library in the papers of President Johnson's personal secretary sealed until her death at age 105 Mattachine's signature discovery is a federal attorney's classified assault blandly filed under Suitability at the National Archives What it boils down to is that most men look upon homosexuality as something uniquely nasty *Archive Activism* is a not only a memoir but also an essential roadmap for activists from any group armed only with their library cards
