

Home of the Brave
By Katherine Applegate

Teacher's Guide

[Note to Feiwei & Friends: Page references are for your use.]

In this novel, told in free verse, an eleven year old African boy who has seen more than he should have seen and known great loss and sadness, opens our eyes to the horrors of war. Through his perceptions we also get a fresh view of our own country and ourselves, and we are prompted to ask questions and come to conclusions.

The combination of young Kek's innocence, the poetry of the telling, and the emotional impact of the story itself, compels readers to respond powerfully to the book, to the issues it raises, and to the telling itself.

You'll find many Literature, Language Arts, and Social Studies lessons in the novel – and many opportunities for discussion.

History

1. The background for *Home of the Brave* is the civil war that devastated the Sudan on and off from the 1950s to the 1990s and the ethnic war in the Darfur region of Sudan that has raged from 2003 to the present . The mere mention of the word "Darfur" in the media conjures up images of anarchy, destruction, and genocide. In order for your students to understand the plight of Kek and the millions of Sudanese people affected by the war is to research and then discuss recent history of the Sudan as a whole and the Darfur region in particular.

Your students can start with an Internet search: "War in Sudan," or you might suggest these useful websites:
