Homegrown Gurus From Hinduism In America To American Hinduism:

Homegrown Gurus Ann Gleig, Lola Williamson, 2013-10-29 Today a new stage in the development of Hinduism in America is taking shape After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context American Hinduism can now rightly be called its own tradition rather than an imported religion Accordingly this spiritual path is now headed by leaders born in North America *Homegrown Gurus* explores this phenomenon in essays about these figures and their networks A variety of teachers and movements are considered including Ram Dass Siddha Yoga and Amrit Desai and Kripalu Yoga among others Two contradictory trends quickly become apparent an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism These opposed sensibilities innovation and preservation radicalism and recovery are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism *Homegrown Gurus* Ann Gleig, Lola Williamson, 2013 *Hinduism in America* Michael J. Altman, 2022-04-28 Hinduism in America An Introduction is a concise introduction to the long history of religion in the encounter between America and India It is not a book that will tell you what Hinduism is rather it is an introduction to the variety of ways in which Hinduism has been represented constructed and practiced in the United States Americans have been interested in the religions of India since the colonial period and by the late nineteenth century the first Hindu teachers arrived in the United States Throughout the twentieth century interest in Hinduism and yoga grew even as anti Asian and anti immigrant politics and policies in America intensified When the Cold War led to changes in U S immigration policy in 1965 new immigrant communities arrived in the United States and built new Hindu institutions Hinduism in America is an accessible introduction to these developments of Hinduism in the United States Each chapter uses a key theoretical term in the study of religion to explore a variety of historical topics including American missionary encounters with India representations of Hindu religions in American literature world religions and Hinduism Vedanta yoga Hinduism in the American counterculture of the 1960s and immigrant Hindu communities in the United States Hinduism in America provides an overview of the multifaceted history of Hinduism in America Ideal for students and scholars approaching the topic for the first time the book includes sections in each chapter that provide useful theoretical terms for understanding that history **Gurus of Modern Yoga** Mark Singleton, Ellen Goldberg, 2014 *Gurus of Modern Yoga* explores the contributions that individual gurus have made to the formation of the practices and discourses of yoga in today s world *Hinduism in the Modern World* Brian A. Hatcher, 2015-10-05 Hinduism in the Modern World presents a new and unprecedented attempt to survey the nature range and significance of modern and contemporary Hinduism in South Asia and the global diaspora Organized to reflect the direction of recent scholarly research this volume breaks with earlier texts on this subject by seeking to overcome a misleading dichotomy between an elite intellectualist modern Hinduism and the rest of what has so often been misleadingly termed traditional or popular Hinduism

Without neglecting the significance of modern reformist visions of Hinduism this book reconceptualizes the meaning of modern Hinduism both by expanding its content and by situating its expression within a larger framework of history ethnography and contemporary critical theory This volume equips undergraduate readers with the tools necessary to appreciate the richness and diversity of Hinduism as it has developed during the past two centuries [The Secular Religion of Franklin Merrell-Wolff](#) Dave Vliegenthart,2018-01-16 In *The Secular Religion of Franklin Merrell Wolff An Intellectual History of Anti intellectualism in Modern America* Dave Vliegenthart offers an account of the life and teachings of the modern American mystic Franklin Merrell Wolff 1887 1985 who combined secular and religious sources from eastern and western traditions in order to elaborate and legitimate his metaphysical claim to the realization of a transcendental reality beyond reason Using Merrell Wolff as a typical example of a modern western guru Vliegenthart investigates the larger sociological and historical context of the ongoing grand narrative that asserts a widespread anti intellectualism in modern American culture exploring developments in religious philosophical and psychological discourses in North America from 1800 until the present *The Routledge Handbook of Hindu-Christian Relations* Chad M. Bauman,Michelle Voss Roberts,2020-12-30 The historical interplay of Hinduism as an ancient Indian religion and Christianity as a religion associated in India at least with foreign power and colonialism continues to animate Hindu Christian relations today On the one hand *The Routledge Handbook of Hindu Christian Relations* describes a rich history of amicable productive even sometimes syncretic Hindu Christian encounters On the other this handbook equally attends to historical and contemporary moments of tension conflict and violence between Hindus and Christians Comprising thirty nine chapters by a team of international contributors this handbook is divided into seven parts Theoretical and methodological considerations Historical interactions Contemporary exchanges Sites of bodily and material interactions Significant figures Comparative theologies Responses The handbook explores how the study of Hindu Christian relations has been and ought to be done the history of Hindu Christian relations through key interactions ethnographic reflections on current dynamics of Hindu Christian exchange important key thinkers and topics in comparative theology ultimately providing a framework for further debates in the area *The Routledge Handbook of Hindu Christian Relations* is essential reading for students and researchers in Hindu Christian studies Hindu traditions Asian religions and studies in Christianity This handbook will also be very useful for those in related fields such as anthropology political science theology and history **Beacons of Dharma** Michael Reading,Jeffery D. Long,Christopher Patrick Miller,2019-12-02 Today s globalized society faces some of humanity s most unprecedented social and environmental challenges Presenting new and insightful approaches to a range of these challenges the timely volume before you draws upon individual cases of exemplary leadership from the world s Dharma traditions Hinduism Sikhism Jainism and Buddhism The volume s authors refer to such exemplary leaders as beacons of Dharma highlighting the ways in which each figure via their inspirational life work provide us with illuminating perspectives as we continue to confront cases of grave injustice and

needless suffering in the world Taking on difficult contemporary issues such as climate change racial and gender inequality industrial agriculture and animal rights fair access to healthcare and education and other such pressing concerns *Beacons of Dharma* offers a promising and much needed contribution to our global remedial discussions Seeking to help solve and alleviate such social and environmental issues each of the chapters in the volume invites contemplation inspires action and offers a freshly invigorating source of hope *Routledge Handbook of South Asian Religions* Knut A. Jacobsen, 2020-11-29 The *Routledge Handbook of South Asian Religions* presents critical research overviews and case studies on religion in historical South Asia in the seven nation states of contemporary South Asia India Pakistan Bangladesh Nepal Bhutan Sri Lanka and the Maldives and in the South Asian diaspora Chapters by an international set of experts analyse formative developments roots changes and transformations religious practices and ideas identities relations territorialisation and globalisation in historical and contemporary South Asia The Handbook is divided into two parts which first analyse historical South Asian religions and their developments and second contemporary South Asia religions that are influenced by both religious pluralism and their close connection to nation states and their ideological power Contributors argue that religion has been used as a tool for creating nations as well as majorities within those nations in South Asia despite their enormous diversity in particular religious diversity The Handbook explores these diversities and tensions historical developments and the present situation across religious traditions by utilising an array of approaches and from the point of view of various academic disciplines Drawing together a remarkable collection of leading and emerging scholars this handbook is an invaluable research tool and will be of interest to researchers and students in the fields of Asian religion religion in context and South Asian religions **The Rites Controversies in the Early Modern World**, 2018-07-10 *The Rites Controversies in the Early Modern World* is a collection of fourteen articles focusing on debates concerning the nature of rites raging in intellectual circles of Europe Asia and America in the seventeenth and eighteenth centuries The controversy started in Jesuit Asian missions where the method of accommodation based on translation of Christianity into Asian cultural idioms created a distinction between civic and religious customs Civic customs were defined as those that could be included into Christianity and permitted to the new converts However there was no universal consensus among the various actors in these controversies as to how to establish criteria for distinguishing civility from religion The controversy had not been resolved but opened the way to radical religious scepticism Contributors are Claudia Brosseder Michela Catto Gita Dharampal Frick Pierre Antoine Fabre Ana Carolina Hosne Ronnie Po Chia Hsia Giuseppe Marcocci Ovidiu Olar Sabina Pavone István Perczel Nicholas Standaert Margherita Trento Guillermo Wilde and Ines Gupanov **Religious Periodicals and Publishing in Transnational Contexts** Anja-Maria Bassimir, Oliver Scheiding, 2017-06-23 This volume explores the interrelationship of religion and print practices and sheds new light on the history of religious publishing in a globalizing world and its changing media consumption Periodicals have recently become of interest to scholars in book history and religious studies as they try

to determine how magazines journals newsletters and newspapers meet the diverse spiritual demands of believers conditioned by an increasingly translocal and pluralistic religious landscape in modern America and beyond Existing publications in this field have produced new insights into the multilayered nineteenth and twentieth century publishing enterprises as well as the numerous actors behind them often crossing ethnic gender and national boundaries This volume focuses instead on the socio economic conditions institutional organizations action networks and communicative environments that shape religious publishing and its medial apparatus in transnational contexts In doing so the authors study the material devices business structures and cultural networks needed for circulating words and images that nourish specific formations of religious adherence Erasing the Binary Distinction of Developed and Underdeveloped Vinay

Bahl,2023-10-06 This book challenges the binary distinction of developed and underdeveloped in the categorization of any country while proposing to erase this binary with a yardstick of parity Through a sample comparative historical study focusing on the question of the emergence of the large scale steel industry 1880 1914 of four chosen countries two considered developed Imperial UK and Post colonial Imperial USA and two considered underdeveloped Imperial Russia and Colonial India it is shown how this yardstick of parity can be applied without the categorization of societies as either developed or underdeveloped Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan or Bhutan

Hinduism in America Jeffery D. Long,2020-08-06 Read the story of two worlds that converge one of Hindu immigrants to America who want to preserve their traditions and pass them on to their children in a new and foreign land and one of American spiritual seekers who find that the traditions of India fulfil their most deeply held aspirations Learn about the theoretical approaches to Hinduism in America the question of orientalism and the invention of Hinduism Read about how concepts like karma rebirth meditation and yoga have infiltrated and influenced the American consciousness Hindu temples in the United States and Canada how Hinduism has influenced vegetarianism the emergence of an increasingly assertive socially and politically active American Hinduism The book contains 30 images chapter summaries a glossary study questions and suggestions for further reading *Dharma* Veena R. Howard,2017-08-14 Dharma is central to all the major religious

traditions which originated on the Indian subcontinent Such is its importance that these traditions cannot adequately be understood apart from it Often translated as ethics religion law or social order dharma possesses elements of each of these but is not confined to any single category familiar to Western thought Neither is it the straightforward equivalent of what many in the West might usually consider to be a philosophy This much needed analysis of the history and heritage of dharma shows that it is instead a multi faceted religious force or paradigm that has defined and that continues to shape the different cultures and civilizations of South Asia in a whole multitude of forms organizing many aspects of life Experts in the fields of Hindu Jain Buddhist and Sikh studies here bring fresh insights to dharma in terms both of its distinctiveness and its commonality as these are expressed across and between the several religions of the subcontinent Exploring ethics practice

history and social and gender issues the contributors engage critically with some prevalent and often problematic interpretations of dharma and point to new ways of appreciating these traditions in a manner that is appropriate to and thoroughly consistent with their varied internal debates practices and self representations

An Indian Tantric Tradition and Its Modern Global Revival D.E. Osto, 2020-03-06 This book analyzes the contemporary global revival of Nondual aivism a thousand year old medieval Hindu religious philosophy Providing a historical overview of the seminal people and groups responsible for the revival the book compares the tradition s medieval Indian origins to modern forms which are situated within distinctively contemporary religious economic and technological contexts The author bridges the current gap in the literature between insider emic and outsider etic perspectives by examining modern Nondual aivism from multiple standpoints as both a critical scholar of religion and an empathetic participant observer The book explores modern Nondual aivism in relation to recent scholarly debates concerning the legitimacy of New Age consumptive spirituality the global spiritual marketplace and the contemporary culture of narcissism It also analyzes the dark side of the revived tradition and investigates contemporary teachers accused of sexual abuse and illegal financial activities in relation to unique features of Nondual aivism s theosophy and modern scholarship on new religious movements NRMs and cults This book shows that although Kashmir aivism has been adopted by certain teachers and groups to market their own brand of High Tantra some contemporary practitioners have remained true to the system s fundamental tenets and teach authentic albeit modern forms of Nondual aivism This book will be of interest to academics in the fields of religion and Asian philosophies especially South Asian tantric neo tantric and yoga philosophies alternative and New Age spiritualities religion and consumerism and NRMs and cults Winner of the inaugural 2021 New Zealand Asia Society Book Award second prize

The Oxford Handbook of Meditation Miguel Farias, David Brazier, Mansur Lalljee, 2021 A state of the art guide to meditation science and history its facts and myths Covers the development of meditation practices across the world exploring how the varieties of meditation techniques were created in different cultural and religious contexts Explores ethical social and religious implications and discusses controversial topics Book jacket

Hindu Mission, Christian Mission Reid B. Locklin, 2024-05-01 For some four hundred years Hindus and Christians have been engaged in a public controversy about conversion and missionary proselytization especially in India and the Hindu diaspora Hindu Mission Christian Mission reframes this controversy by shifting attention from conversion to a wider interreligious study of mission as a category of thought and practice Comparative theologian Reid B Locklin traces the emergence of the nondualist Hindu teaching of Advaita Ved nta as a missionary tradition from the eighth century to the present day and draws this tradition into dialogue with contemporary proposals in Christian missiology As a descriptive study of the Chinmaya Mission the Ramakrishna Mission and other leading Advaita mission movements Hindu Mission Christian Mission contributes to a growing body of scholarship on transnational Hinduism As a speculative work of Christian comparative theology it develops key themes from this engagement for a new

interreligious theology of mission and conversion for the twenty first century and beyond **Tracing the Path of Yoga**

Stuart Ray Sarbacker,2021-01-01 Clear accessible and meticulously annotated Tracing the Path of Yoga offers a comprehensive survey of the history and philosophy of yoga that will be invaluable to both specialists and to nonspecialists seeking a deeper understanding of this fascinating subject Stuart Ray Sarbacker argues that yoga can be understood first and foremost as a discipline of mind and body that is represented in its narrative and philosophical literature as resulting in both numinous and cessative accomplishments that correspond respectively to the attainment of this worldly power and otherworldly liberation Sarbacker demonstrates how the yogic quest for perfection as such is situated within the concrete realities of human life intersecting with issues of politics economics class gender and sexuality as well as reflecting larger Indic religious and philosophical ideals **The Serpent's Tale** Sravana Borkataky-Varma,Any Foxen,2025-09-30 There is a

standard narrative that recurs throughout popular writings on yoga and tantra from South Asian texts to Western esoteric thought Ku alin is the Serpent Power She rests coiled at the base of the spine If awakened this divine feminine energy rises toward the crown of the head Some are apprehensive of Ku alin s intense power fearing physical and psychological turmoil Others seek it out hungry for experiences both spiritual and sensual But what does this story leave out What are its cultural and historical roots What do the many ways of experiencing Ku alin tell us about this elusive phenomenon The Serpent s Tale traces the intricate global histories of Ku alin from its Sanskrit origins to its popularity in the West Sravana Borkataky Varma and Anya Foxen explore its symbolic link with the serpent its fraught connections to sexuality and its commercialization in the form of Ku alin yoga Ranging from esoteric texts to global gurus from the cliffs of California to the charnel grounds of Assam they show that there has never been one single authentic model of Ku alin but a multiplicity of visions Bridging the gaps between textual and historical analysis and the complexities of embodied practice Borkataky Varma and Foxen reflect on the narration and transmission of experiences including their own Lively accessible and nuanced The Serpent s Tale offers rich insights for scholars practitioners and all readers drawn to Ku alin **On Minimalism** Kerry O'Brien,2023-04-25 A

revisionist history of minimalism s transformative rise through the voices of the musicians who created it When composers like Philip Glass and Steve Reich began creating hypnotically repetitive music in the 1960s it upended the world of American composition But minimalism was more than a classical phenomenon minimalism changed everything Its static harmonies and groovy pulses swept through the broader avant garde landscape informing the work of Yoko Ono and Brian Eno John and Alice Coltrane Pauline Oliveros and Julius Eastman and many others On Minimalism moves from the style s beginnings in psychedelic counterculture through its present day influences on ambient jazz doom metal and electronic music The editors look beyond the major figures to highlight crucial and diverse voices especially women people of color and LGBTQ musicians that have shaped the genre Featuring more than a hundred rare historical sources On Minimalism curates this history anew documenting one of the most important musical movements of our time

When people should go to the book stores, search start by shop, shelf by shelf, it is in fact problematic. This is why we allow the book compilations in this website. It will no question ease you to look guide **Homegrown Gurus From Hinduism In America To American Hinduism** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. Homegrown Gurus From Hinduism In America To American Hinduism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Homegrown Gurus From Hinduism In America To American Hinduism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Homegrown Gurus From Hinduism In America To American Hinduism has opened up a world of possibilities. Downloading Homegrown Gurus From Hinduism In America To American Hinduism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Homegrown Gurus From Hinduism In America To American Hinduism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Homegrown Gurus From Hinduism In America To American Hinduism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Homegrown Gurus From Hinduism In America To American Hinduism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Homegrown Gurus From Hinduism In America To American Hinduism, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Homegrown Gurus From Hinduism In America To American Hinduism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Homegrown Gurus From Hinduism In America To American Hinduism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Homegrown Gurus From Hinduism In America To American Hinduism is one of the best book in our library for free trial.
