Terror and War Kieran Jackel, 2021-06-01 *Terror and War* provides the reader with contemporary insights into military strategy radicalisation and the challenges associated with countering the rising influence of terrorism *Twenty Essays* is a cautionary and timely collection of works given the current intra state and domestic tensions present within the world The author has seen operational service on several occasions through Southern Asia the Middle East and domestically all of which centred on countering terrorism This lived experience provides the reader with unique perspectives that complement the analysis of counter terrorism theory and military thinking The outcome is an immersive and sobering reflection on the challenges facing policy makers and society more broadly

The Media World of ISIS Michael Krona, Rosemary Pennington, 2019-11-01 This anthology explores how ISIS used media and propaganda shedding light on the characteristics mission and tactics of its messaging From efficient instructions on how to kill civilians to horrifying videos of beheadings no terrorist organization has more comprehensively weaponized social media than ISIS Its strategic multiplatformed campaign is so effective that it has ensured global news coverage and inspired hundreds of young people around the world to abandon their lives and their countries to join a foreign war Contributors

consider how ISIS as media strategies imitate tactical legitimization its self declared caliphate and exploit narratives of suffering and imprisonment as propaganda to inspire followers Using a variety of methods contributors explore the appeal of ISIS to Westerners the worldview made apparent in its doctrine and suggestions for counteracting the organization's approaches Its highly developed targeted and effective media campaign has helped make ISIS one of the most recognized terrorism networks in the world Gaining a comprehensive understanding of its strategies will help combat the new realities of terrorism in the twenty first century *A Theory of ISIS* Mohammad-Mahmoud Ould Mohamedou,2017-11-20 The Islamic State of Iraq and Syria has been the subject of intense scrutiny in the West Considered by many to be the most dangerous terrorist organisation in the world it has become shrouded in numerous myths and narratives many emanating from the US which often fail to grasp its true nature Against these narratives Mohammad Mahmoud Ould Mohamedou presents a bold new theory of ISIS By tracing its genealogy and documenting its evolution in Iraq and Syria he argues that ISIS has transcended Osama Bin Laden's original project of Al Qaeda mutating into an unprecedented hybrid form that distils postcolonial violence postmodernity and the emerging post globalisation international order This book analyses ISIS from a social sciences perspective and unpacks its dynamics by looking beyond superficial questions such as its terrorist nature and religious rhetoric It transforms our understanding of ISIS and its profound impact on the very nature of contemporary political violence *Counterinsurgency and the United States Marine Corps* Leo J. Daugherty III,Rhonda L. Smith-Daugherty,2018-01-25 Volume 2 continues the history of the U S Marine Corps involvement in small wars after World War II beginning with advisory efforts with the Netherlands Marine Corps 1943 1946 The authors describe counterinsurgency efforts during the Korean War 1950 1953 the development of vertical assault tactics in the late 1940s 1950s and 1960s counterinsurgency in Southeast Asia 1962 1975 involvement in Central America 1983 1989 and present day conflicts including the War on Terror and operations in Iraq and Libya **Talking Book Topics** ,2015-11 **The Theory and Practice of Associative Power** Stephen B. Young,2017-06-19 To succeed in achieving its national security objectives the United States needs to use Associative Power in place of both Hard Power and Soft Power Associative Power is the use of joint ventures and alliances to optimize the forms of power brought to bear in conflicts responding with precision to a spectrum of enemy threats situational challenges and political opportunities Associative Power was wisely and successfully used by the United States in the Vietnam War through the CORDS program of counter insurgency and village development to defeat the Viet Cong insurgency and permit the withdrawal of American combat forces Associative power was not used by the United States nor was the best counter insurgency practices of CORDS in the Iraq and Afghanistan conflicts As a result of this omission interim outcomes in Iraq and Afghanistan did not acceptably accomplish American objectives **2011 2015 2015 2014 2011 01-01-2015, 73 Az Iszlám állam - Terrorizmus 2.0** Besenyő János-Prantner Zoltán-Speidl Blanka-Vogel Dávid,2016-01-20 A k nyelv hi nyp tl m magyar szerz k toll b l m g nem

Islamic State as a Legal Order Federico Lorenzo Ramaioli, 2022-04-04 This book explores the legal

dimension of the Islamic State an aspect which has hitherto been neglected in the literature ISIS dystopian experience intended as a short lived territorial and political governance has been analyzed from multiple points of view including the geopolitical social and religious ones However its legal dimension has never been properly dealt with in a comprehensive way assuming as a point of reference both the Islamic and the Western legal tradition This book analyzes ISIS as the expression of a potential though never fully realized legal order The book does not describe ISIS possible classifications according to the standards and the criteria of international law such as its possible statehood or proto statehood issues that are however touched upon Rather it analyzes ISIS own legal awareness based on the group s literary materials which show a considerable amount of juridical work Such material mainly propagandistic in its nature is essential in understanding which kind of legal order ISIS aimed at establishing The book will be of interest to students and academics in the fields of Law International Relations Political Sciences Terrorism Studies Religion and Middle Eastern Studies

[Discourses and Counter-discourses on Europe](#) Manuela Ceretta, Barbara Curli, 2017-01-12 The European Union plays an increasingly central role in global relations from migration to trade to institutional financial solvency The formation and continuation of these relations their narratives and discourses are rooted in social political and economic historical relations emerging at the founding of European states and then substantially augmented in the Post WWII era Any rethinking of our European narratives requires a contextualized analysis of the formation of hegemonic discourses The book contributes to the ongoing process of rethinking the European project identity and institutions brought about by the end of the Cold war and the current economic and political crisis Starting from the principle that the present European crisis goes hand in hand with the crisis of its hegemonic discourse the aim of the volume is to rescue the complexity the richness the ambiguity of the discourses on Europe as opposed to the present simplification The multidisciplinary approach and the long term perspective permits illuminating scope over multiple discourses historical

periods and different languages including that of the European institutions This text will be of key interest to scholars and students of European Union politics European integration European History and more broadly international relations

ISIS Taking Over the Middle East: The Rise of Middle Eastern Supremacy-ISIS/ISIL Joseph Spark,2014-09-10 The world has been rocked with news of the rise of a new power in the Middle East The Islamic State of Iraq and Syria ISIS also known as the Islamic State of Levant ISIL and Da ish currently controls up to 16 provinces waliyah in Iraq and Syria This Sunni jihadist group an offshoot of Al Qaeda has been distinguished by its hard line ideology which much like that of its predecessor promotes religious extremism has an unmistakable anti western stance and condones the use of violence The group has since relayed its plans of creating an Islamic state in Iraq Syria and the entire Levant region governed by Sharia Islamic law Although ISIL has insisted that its ideology is Salafist fundamental Islamist at its roots many critics have questioned this claim The main point of difference between Da ish and other Islamic militant groups such as Al Qaeda and the Taliban however has been that the group has targeted the Shiite community with similar violent tactics used against the government and supposed foreign enemies

IN SEARCH OF SYRIA HITESH BHARAT CHAUDHARI,2021-01-06 In August 2016 Hitesh Chaudhari saw devastating visuals of the Syrian civil war on CNN Pictures of an injured child Omran Daqneesh who was saved from a building which was bombarded in Aleppo had stunned the entire world This made Hitesh go on a quest for the real explanation for this brutal fight The crisis of today had its roots in the past The book attempts to discover how the present issue is linked to the past In search of Syria talks about avaricious foreign interventions fierce power struggles hastily executed coups violent religious conflicts nationalistic fights and the murder of humanity which occurred in Syria over a hundred years The book endeavours to delve deep into the historical backdrop of Syria beginning from the Ottoman Empire Then it proceeds to cover the country s history from the French mandate to the ongoing Syrian civil war He addresses the root causes of major events which took place in Syria
