(The Expanded Edition) Ed Catmull, Amy Wallace, 2023-09-28 The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership reflecting on the management principles that built Pixar's singularly successful culture and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve Might be the most thoughtful management book ever Fast Company For nearly thirty years Pixar has dominated the world of animation producing such beloved films as the Toy Story trilogy Finding Nemo The Incredibles Up and WALL-E which have gone on to set box office records and garner eighteen Academy Awards The joyous storytelling the inventive plots the emotional authenticity In some ways Pixar movies are an object lesson in what creativity really is Here Catmull reveals the ideals and techniques that have made Pixar so widely admired and so profitable As a young man Ed Catmull had a dream to make the first computer animated movie He nurtured that dream as a Ph.D. student and then forged a partnership with George Lucas that led indirectly to his founding Pixar with Steve Jobs and John Lasseter in 1986 Nine years later Toy Story was released changing animation forever The essential ingredient in that movie's success and in the twenty-five movies that followed was the unique environment that Catmull and his colleagues built at Pixar based on philosophies that protect the creative process and defy convention such as Give a good idea to a mediocre team and they will screw it up But give a mediocre idea to a great team and they will either fix it or come up with something better It's not the manager's job to prevent risks It's the manager's job to make it safe for others to take them The cost of preventing errors is often far greater than the cost of fixing them A company's communication structure should not mirror its organizational structure Everybody should be able to talk to anybody Creativity Inc. has been significantly expanded to illuminate the continuing development of the unique culture at Pixar It features a new introduction two entirely new chapters four new chapter postscripts and changes and updates throughout Pursuing excellence isn't a one-off assignment but an ongoing day in day out full-time job And Creativity Inc. explores how it is done **Inside Out: Driven By Emotions**, 2015-05-05 Dive into Riley's mind and see Pixar's upcoming film Inside Out as you never will in the theater This unique chapter book offers unseen stories and insights to the movie from the stars themselves as each chapter offers a different retelling of the film from one of Riley's emotions Joy Sadness Fear Anger and Disgust *Journey into the Mind (Disney/Pixar Inside Out)* RH Disney, 2015-05-05 Disney Pixar Inside Out takes you to a place that everyone knows but no one has ever seen inside the human mind This Step 3 Step into Reading leveled
