Inside Out Poetic Reflections Mirrored From Life Experiences:

Reflections from Mirror City Tom McClellan, 2010-05-27 Since D Magazine discovered it in 1986 I have been an admirer of Tom McClellan's writing. Collected in *Reflections from Mirror City* McClellan's selected published and unpublished work is a stygian journey through South Texas West Texas Dallas in and out of madness but always toward lucidity and spiritual wholeness. From Introductory Comments by Lou Dubose Editor of the Washington Spectator with Molly Ivins co-author of the best selling *Shrub the Short but Happy Political Life of George W Bush* I found all the essays thoughtful moving intellectually stimulating and exciting to read. Professor F E Abernathy Editor Emeritus Texas Folklore Society. These pieces are the personal essay at its very best. The Deal of the Art in the right kind of world would be widely anthologized in college texts and Poetry and Politics and Populism also work of the very highest integrity. Dr Giles Mitchell Professor Emeritus University of North Texas.

Inside Out, 2008-01-01 The incursions of women into areas from which they had been traditionally excluded together with the literary representations of their attempts to negotiate subvert and appropriate these forbidden spaces is the underlying theme that unites this collection of essays. Here scholars from Australia Greece Great Britain Spain Switzerland and the United States reconsider the well entrenched assumptions associated with the public/private distinction working with the notions of public and private spheres while testing their currency and exploring their blurred edges. The essays cover and uncover a rich variety of spaces from the slums and court rooms of London to the American wilderness from the Victorian drawing room and sick room to out of the ordinary places like Turkish baths and the trenches of the First World War. Where previous studies have tended to focus on a single aspect of women's engagement with space this edited book reveals a plethora of subtle and tenacious strategies found in a variety of discourses that include fiction poetry diaries letters essays and journalism. *Inside Out* goes beyond the early work on artistic explorations of gendered space to explore the breadth of the field and its theoretical implications.
