Leadership in Congregations Richard Bass, 2006-12-31 This new book in Alban's Harvesting the Learnings Series gathers the collected wisdom of over 10 years of Alban research and reflection on what it means to be a leader in a congregation how our perceptions of leadership are changing and exciting new directions for leadership in the future With pieces by such diverse church leaders as Graham Standish Diana Butler Bass Jeffrey Jones Donna Schaper Gil Rendle Ann Svennungsen Mark Lau Branson and many others this volume gathers in one place a variety of essays that approach the leadership task and challenge with insight depth humor and imagination The book

also includes the full text of Alban's 2001 special report *The Leadership Situation Facing American Congregations* by James P. Wind and Gil Rendle. That report examined the evidence for turmoil on the one hand and ferment on the other. The Alban Institute it declared stood on the side of ferment. To live into the ferment we need to see leadership in new ways and learn a new set of adaptive skills that allow them to shape new patterns of congregational life and new leadership roles. Based in research and experience, this volume makes available the best of Alban's learning on how the leaders of congregations can go about this important work.

Effective Small Churches in the Twenty-First Century Carl S. Dudley, 2010-09-01. Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation. In this revised edition, Dudley revisits the small church, posing new questions reflective of the considerable changes that have swept over small churches in the last two decades. Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations. Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith.

The History of Montgomery County, Ohio, Containing a History of the County, 1882. Our Worship Abraham Kuyper, 2009-01-13. Few modern figures in the Reformed tradition are as widely influential as Abraham Kuyper, whose views on theology, politics, and Christian culture are renowned. His writings on worship, however, are not as well known. This new English translation of *Onze Eredienst* fills that gap, offering Kuyper's clearest thinking on worship and liturgy. Though written nearly a hundred years ago, his perspectives on worship are amazingly relevant to our time. In a substantive introduction, Harry Boonstra outlines Kuyper's life and the historical context in which he wrote. Adding even more luster to the volume are concluding essays by John Bolt, Bryan Spinks, Geoffrey Wainwright, and Nicholas Wolterstorff.

Concern for Church Renewal Laura Schmidt Roberts, 2022-03-31. From its first issue in 1954, *CONCERN A Pamphlet Series for Questions of Christian Renewal* ran statements identifying it as an independent publication whose purpose was to stimulate study and discussion through intentional juxtaposition of viewpoints. What constitutes the church? Do existing structures engender or hinder the church's ever-present need for renewal? What approaches or formats might more effectively structure its renewal? *CONCERN's* Mennonite editorial board and the essays gathered here address these themes in reference to a Believers Church or Anabaptist framework, reflecting differing viewpoints but a shared sense that community and discipleship are essential. Two contemporary responses reflect current iterations of these questions, which are shaped by pronounced concerns for the exercise of power within the community and the role response to structural systemic inequalities plays in discipleship.

The Metal Worker, Plumber, and Steam Fitter, 1915. Pro Rege Abraham Kuyper, Albert Gootjes, Jordan J. Ballor, Melvin Flikkema, 2017-03-22. Abraham Kuyper firmly believed that Jesus Christ was King, not just of Christians but of the entire cosmos. In volume two of *Pro Rege*, he continues his analysis of the extent to which Christ rules: first in the human heart, then in the life of the church, and continuing to the life of the Christian family. Kuyper

believed that it was nonsense to distinguish between life inside and outside of church walls Here he shows that although the Jesus kingship has been denied and denigrated Christ still exerts his power in the world through his people This new translation of Pro Rege created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper s most important writings The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church s development of public theology

Colonial Documentary Film in South and South-East Asia Ian Aitken,2016-12-05 Based on rare archival documents and films this anthology is the first to focus primarily on the use of official and colonial documentary films in the South and South East Asian regions Drawing together a range of international scholars the book sheds new light on historical theoretical and empirical issues pertaining to the documentary film in order to better comprehend the significant transformations of the form in the colonial late colonial and immediate post colonial period Covering diverse geographical and colonial contexts in countries like Singapore Malaysia the Philippines and Hong Kong and focusing on under researched or little known films it demonstrate the complex set of relations between the colonisers and the colonised throughout the region

Patricia Keer Munro,2016-05 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family s ongoing connection to the core values of Judaism Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity
