The Spiritual Journey of a Misfit Francis Dorff, O. Praem.,2016-03-03 As someone who has been guiding people through the catacombs of their own lives for decades Francis Dorff O Praem is uniquely qualified to tell stories that evoke personal experiences of the treasures residing within each of us Readers may recognize their own lives reflected in his description of being a stranger in a strange land wondering where to turn when a door to one s promised land closes in one s face exploring intimations of a Loving Mystery beneath the surface of all of life embracing parts of our life that we have been neglecting and creatively getting to know our own deepest self This book will encourage those of us who are yearning to live more peacefully with others to see how we can meditatively journey together to the underground place within us that is deeper than all our differences Those who are feeling stuck may find some help in Fr Dorff s insight into how widening the scope of my attentiveness has a lot to do with my being able eventually to take a creative next step And everyone can be inspired by the author s experiment with loving and how many different forms this loving can take over the course of a long rich life Here is a personal invitation to learn how to live with the ongoing tensions between solitude and community meditation and ministry getting it all together and letting it all fall apart as well as being a misfit and a mystic on a deeply personal pilgrimage From the Inside Out Royden Loewen,1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children s homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for From the Inside Out also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the

Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community s social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people
