Inside The Gates Of Heaven:

Inside the Gates of Heaven Oden Hetrick, 1988 *Heavenly Imagery and Symbolism in Matthew's Gospel* Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46 **Inside Heaven's Gates** E. M. Bounds, 1999 Christ has gone to prepare a place for you in heaven In this place of absolute safety God's power will be seen and felt in all its fullness Using the revelation of Scripture E. M. Bounds tells how you can look forward to reigning with Christ in heaven Find out how you can be sure that heaven will be your home for eternity **The East Face of Helicon : West Asiatic Elements in Greek Poetry and Myth** M. L. West, 1997-10-23 Over the last sixty years scholars have increasingly become aware of links connecting early Greek poetry with the literatures of the ancient Near East Martin West's new book far surpasses previous studies in comprehensiveness demonstrating these links with massive and detailed documentation and showing they are much more fundamental and pervasive than has hitherto been acknowledged Ever since Neolithic times Greek lands lay open to cultural imports from western Asia agriculture metal working writing religious institutions artistic fashions musical instruments and much more Over the last sixty years scholars have increasingly become aware of links connecting early Greek poetry with the literatures of Mesopotamia Anatolia Canaan and Israel Martin West's new book far surpasses previous studies in comprehensiveness demonstrating these links with massive and detailed documentation and showing that they are much more fundamental and pervasive than has hitherto been acknowledged His survey embraces Hesiod the Homeric epics the lyric poets and Aeschylus and concludes with an illuminating discussion of possible avenues of transmission between the orient and Greece He believes that an age has dawned in which Hellenists will no more be able to ignore Near Eastern literature than Latinists can ignore Greek *Sculpted Thresholds and the Liturgy of Transformation in Medieval Lombardy* Gillian B. Elliott, 2022-06-24 This book explores the issue of ecclesiastical authority in Romanesque sculpture on the portals and other sculpted gateways of churches in the north Italian region of Lombardy Gillian B. Elliott examines the liturgical connection between the ciborium over the altar the most sacred threshold inside the church and the sculpted portals that appeared on church exteriors in medieval Lombardy In cities such as Milan Civate Como and Pavia the liturgy of Saint Ambrose was practiced as an alternative to the Roman liturgy and the churches were constructed to respond to the needs of

Ambrosian liturgy Not only do the Romanesque churches in these places correspond stylistically and iconographically but they were also linked politically in an era of intense struggle for ultimate regional authority The book considers liturgical and artistic links between interior church furnishings and exterior church sculptural programs and also applies new spatial methodologies to the interior and exterior of churches in Lombardy The book will be of interest to scholars working in art history medieval studies architectural history and religious studies Apocalypse Revealed in which are Disclosed the Arcana Therein Foretold by Emanuel Swedenborg Emanuel Swedenborg,1851 *The Documentarian* Roger
