Your food processor is a powerful tool but is often relegated to only a handful of tasks. We have always felt the food processor was underutilized and so we've set out to create a book that harnesses this appliance's capabilities as never before, from almost no-bowl baking to multi-step dishes like stir-fries where all the slicing and chopping happens in the food processor. The result is a book of 75 smart ideas where the food processor is the star of every recipe. It will transform how you use this appliance, streamline everyday cooking and baking, and open doors to projects you would never have considered tackling by hand. *Air Fryer Perfection* America's Test Kitchen, 2019-01-29 Get the best possible results from your air fryer and discover the best ways to use it, not just frying, with 75 fast, convenient, great-tasting recipes. Air fryers promise crisp fried food without actual deep frying. Was it too good to be believed? And what can you cook in them besides French fries? In truth, air fryers cook food by blasting it with circulated hot air. The method is fast, convenient, and can be surprisingly good if you have the right recipe. We cooked more than 70 pounds of potatoes to create the perfect air fryer French fry with an evenly crisp exterior and creamy center. But what really drew us to this appliance was the variety of what you can make in it effortlessly and without having to enlist numerous pots and pans. In addition to crispy fried chicken and fries, you'll turn out evenly cooked steaks such as Spice Rubbed Steak with Snap Pea and Cucumber Salad; the spice rub gives them a bold crust. Sweet and Smoky Pork Tenderloin with Roasted Butternut Squash; the pork cooks directly on top of the squash to save time. And Tandoori Chicken Thighs. Many of the recipes yield both a main and a side for a complete meal. Most recipes take only 45 minutes or even less time, and all come with complete nutrition information. Frozen foods cook up crisp in the air fryer, but the results are so much better when you start with homemade. So we offer freeze-it-yourself Chicken Nuggets, Southwestern Beef Hand Pies, and more that go straight from freezer to air fryer and cook to perfection. And we share plenty of kid-friendly meals and snacks from Better Than Boxed Fish Sticks to Zucchini Fries. **Multicooker Perfection** America's Test Kitchen, 2018-04-17 Praised by Wired.com and featured by Chicago Tribune, Booklist, Epicurious, Booklist, and Eat This Not That, Multicookers such as the GoWISE USA and Instant Pot Duo are hugely popular, however, most recipes are unreliable or are designed to work in only one model of multicooker, and most often they use only the pressure cook setting.
