Inside Writing William Salomone, Stephen McDonald, 1996 *Inside Writing* William Salomone, Stephen McDonald, 1999 This basic writing text constantly reinforces the link between good grammar and good writing A combination textbook and workbook it integrates grammar instruction and sentence paragraph writing in each chapter Grammar is presented in easy to understand compact sections with each chapter focusing on a grammatical principle Each section includes extensive practices with answers and exercises without answers so students can immediately apply each principle To reinforce the link to writing each chapter contains instruction and exercises in sentence combining and a writing section that focuses on and reinforces the grammatical material in that chapter **Inside Writing** Salomone, McDonald, 1993

Inside Writing: A Writer's Workbook with Readings, Form B William Salomone, Stephen McDonald, 2004-06-21 Effectively integrating grammar instruction with writing practice **INSIDE WRITING WITH READINGS** gives you extensive practice through examples and excercises as well as expanded coverage of sentence combining Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Subject Guide to Books in Print** , 1997 **Sample Copy Writing Paragraphs and Essays** Wingersky, 1999 **Inside Writing** William Salomone, Stephen McDonald, Mark Edelstein, 1993 Research in Basic Writing Martin Jacobi, Michael G.

Moran, 1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs Making Connections Through Reading and Writing Maria Valeri-Gold, Mary P. Deming, 2000-02 This text is a modern rhetoric reader which integrates reading and writing concerns provides high interest reading selections across a variety of themes includes a diversity of authors cultures and life experiences and builds a

framework for study and practice which is pedagogically sound and flexible
