Inspirational Women's Fiction Sampler April Geremia, 2016-02-18 Who doesn't need a little inspiration in their life? In this faith inspiring series author April Geremia intertwines God and the sea with mystery themed stories about people battling impossible situations. Readers have left reviews saying the books increased their faith, made them view life differently, and one reader even said the books made her want to be a better person. And while those are some great reasons to read the books, the truth is you're taking a chance on a relatively new fiction author. That's why I'm proud to offer you this FREE sampler. With it, you'll be able to read generous portions of the books in this series for free and then decide whether you want to keep reading. In this sampler, you'll find inspirational Christian fiction, romantic mystery, suspense, and a women's fiction that's truly tissue worthy. Here's an overview of the books you'll find in this sampler: *The Fragrance of Surrender: Souls of the Sea Book 1*. What would cause a woman to stand on the edge of a cliff, deciding whether to slip over it or to live another day? How bad would it have to be? And what if she can't turn to God because she believes He's the root of all her problems? Set among the fragrant, sweet smell of ripening orange tree blossoms, this emotional story is about a woman who battles God for the right to determine how things should be. Gabriella's life has been filled with tragedy, including the mystery of why her own parents disappeared one night, leaving her alone at a tender young age. Soon after her husband dies, she and her son move to her childhood home, a house on a cliff by the sea in a village that time has left behind. It's there that she and some local villagers begin the process of bringing her parents' old orange grove back to life. As Gabriella begins to put together the pieces of why her parents abandoned her, she soon learns they were victims of powerful forces that threatened to tear apart the quiet little village by the sea. And that knowledge, along with all the other losses she's experienced, causes Gabriella to view God with great suspicion and fear. So when her young son experiences a dramatic conversion and begins to serve Him, an all-out battle ensues. During this time, Gabriella often feels called to the edge of the cliff, torn between letting herself slip over it and ending the pain, or fighting for a happiness she's not even sure exists. Will Gabriella continue to do battle with God? Or will she come to have faith in the God she blames for all the tragedies she's suffered?
