***Taking Your Android Tablets to the Max*** Russell Holly, 2012-06-12 The march of the Android-based tablets has begun, including Galaxy, Samsung Tab, Motorola XOOM, Nook, and more. But where do you start? And what can you do with an Android tablet? *Taking Your Android Tablets to the Max* is a one-stop shop for users of all skill levels, helping you get the most out of any Android tablet. This book offers a breakdown of the differences between an Android 2.0 or an Android 3.0 device, tips for choosing the best device for you, and how to best network, i.e., best wireless carrier for 3G or 4G or just WiFi. Detailed walkthroughs on how to get the most out of your tablet and the apps for it.

***Android Tablets for Seniors in easy steps, 2nd edition*** Nick Vandome, 2015-06-05 Tablet computers are now a familiar sight on the digital landscape. They are powerful, portable, and packed full of functionality for most computing tasks. Android is the operating system on a wide range of tablets, and it is one of the major players in this market. This determines the tablet's user interface and also a lot of its functionality. The latest version of Android is 5.0 Lollipop, and it improves upon what is already the most widely used operating system for tablets. *Android Tablets for Seniors in easy steps* looks at the range of devices available and their specifications and functionality. Explains the Android operating system and how to use it on your tablet in terms of navigating around, performing all of your favourite tasks, getting online, and turning your tablet into a mobile library and entertainment centre. Focuses on the latest version of Android 5.0 Lollipop and shows the enhancements that have been made over previous versions, such as allowing guest users, viewing the latest notifications on your tablet, and accessing quickly the settings that you use most often. *Android Tablets for Seniors in easy steps* will show you how to get up and running with the interactive touch screen experience so that you can quickly find your way around with Android. Use the

Android settings to ensure that your tablet looks and works in exactly the way that you want Find your way around apps the programs that give Android tablets their functionality from using the preinstalled apps to downloading and using the huge selection available from the Google Play Store which is linked directly to Android tablets It also shows how to get the best apps for popular activities such as travel health and wellbeing family history and online shopping Connect to the web via Wi Fi using email making phone and video calls to family and friends with Skype and diving into the world of social networking Keep your tablet safe security on tablets is just as important as on any other computer and this is covered in terms of preventing access to your tablet and staying safe online and when using your apps

**Android Tablets for Seniors in easy steps** gives you the confidence to enter the world of the tablet and get the most out of your device using Android 5.0 Lollipop The book features the Google Nexus but is applicable to all tablets running the Android operating system Presented in larger type for easier reading
