Span-Serve Your City Dino Rizzo, 2020-02-04 Through the pages of the Gospels we see Jesus model a show and tell life and ministry to His followers. He showed them how to serve by healing the sick, feeding the hungry, and caring for the poor, and while He was demonstrating compassion, He taught them, telling them of God's immense love. This is the way to show God's heart of compassion for the people in our cities and towns, and this is the way to break down barriers so people will listen to the life-changing message of the gospel of grace. In this book, you'll sense God's heart, be inspired by His stories, and learn from His experiences, as well as many ARC churches that are serving their cities with a Jesus style, no strings attached kind of love. This is at the core of who ARC is: a deep passion to see churches thrive as part of the cities they serve.

8.8: el miedo en el espejo Juan Villoro, 2020-09-11 En la que sin duda es su crónica más emocionante, Juan Villoro cuenta cómo estuvo en condiciones de comparar la intensidad de dos de los terremotos más terribles que ha sufrido América Latina: el de 1985 en la ciudad de México y el de 2010 en Santiago de Chile. Convencido de que estos desastres deben contarse con las más representativas de las voces implicadas, Villoro toma los relatos de sus compañeros de temblor y construye un concierto de impresiones en el que no faltan el suspenso o el absurdo. Además de una arrebatadora narración coral sobre las distintas estrategias para sobrevivir al espanto.

8.8 El miedo en el espejo recurre al ensayo, al relato y al testimonio de otros escritores que como Kleist han narrado terremotos verdaderos o ficticios a fin de descubrir la dimensión literaria de una realidad movediza. Al otorgarle a Juan Villoro el Premio Internacional de Periodismo Rey de España a principios de 2010, el jurado destacó no solo la calidad de la escritura o la clarividencia en la elección del tema, sino las múltiples perspectivas políticas, musicales, literarias, políticas y sociológicas desde las que el autor ha analizado una realidad tan polidrica. Saltando del espanto al humor de los testigos, el presente libro de Villoro renueva estas virtudes a la vez que busca averiguar cómo reacciona el ser humano cuando más teme por su vida.
