Electronic Arts Limited Warranty

Electronic Arts, warrants to the original purchaser of this product that the recording medium on which the software program(s) are recorded (the "Recording Medium") is free from defects in materials and workmanship for a period of 90 days from the date of purchase. If the Recording Medium is found to be defective within 90 days from the date of purchase, Electronic Arts agrees to replace the Recording Medium free of charge upon receipt of the defective Medium at its service center, postage paid, with proof of purchase. This warranty is limited to the Recording Medium containing the software program that was originally provided by Electronic Arts. This warranty shall not be applicable and shall be void if, in the judgment of Electronic Arts, the defect has arisen through abuse, misplacement or neglect.

This limited warranty is in lieu of all other warranties, whether oral or written, express or implied, including any warranty of merchantability or fitness for a particular purpose, and no other representation of any nature shall be binding on or obligate Electronic Arts. If any such warranty can be proven by the purchaser, then such warranty applies to this product, including express warranties of merchantability and fitness for a particular purpose, and limited to the 90-day period described above. In no event will Electronic Arts be liable for any special, incidental, or consequential damages resulting from possession, use or installation of this Electronic Arts product, including damage to property, and to the extent permitted by law, damages for personal injury, even if Electronic Arts has been advised of the possibility of such damages. Some states do not allow limitations on how long an implied warranty lasts, and so such limitations or limitations of incidental or consequential damages or the above limitations and/or exclusion of liability may not apply to you. In such jurisdictions, the Electronic Arts' liability shall be limited to the fullest extent permitted by law. This warranty gives you specific rights. You may also have other rights that vary from state to state.

>Returns Within the 90-Day Warranty Period

Please return the product along with (1) a copy of the original sales receipt showing the date of purchase, (2) a brief description of the difficulty you are experiencing, and (3) your name, address and phone number to the address below and Electronic Arts will send a replacement Recording Medium to you. If the product was damaged through misuse or accident, this 90-day warranty is voided and you will need to follow the instructions for returns after the 90-day warranty period. We strongly recommend that you spend your products using a traceable delivery method. Electronic Arts is not responsible for products not in its possession.

Manual of Model Civil Jury Instructions for the Ninth Circuit ,2008 Monopsony in Law and Economics Roger D. Blair,Jeffrey L. Harrison,2010-09-06 Most readers are familiar with the concept of a monopoly A monopolist is the only seller of a good or service for which there are not good substitutes Economists and policy makers are concerned about monopolies because they lead to higher prices and lower output The topic of this book is monopsony the economic condition in which there is one buyer of a good or service It is a common misunderstanding that if monopolists raise prices then monopsonists must lower them It is true that a monopsonist may force sellers to sell to them at lower prices but this does not mean consumers are better off as a result This book explains why monopsonists can be harmful and the way law has developed to respond to these harms *Assessing Organizational Performance in Higher Education* Barbara A. Miller,2016-05-10 The book provides a full complement of assessment technologies that enable leaders to measure and evaluate performance using qualitative and quantitative performance indicators and reference points in each of seven areas of organizational performance While these technologies are not new applying them in a comprehensive assessment of the performance of both academic and administrative organization in higher education is a true innovation *Assessing Organizational Performance in Higher Education* defines four types of assessment user groups each of which has unique interest in organizational performance This offers a new perspective on who uses performance results and why they use them These varied groups emphasize that assessment results must be tailored to fit the needs of specific groups that one size fits all does not apply in assessment An assessment process must be robust and capable of delivering the right information at the right time to the right user group The ISSP Manual of Sports Psychiatry Ira D. Glick,Stull Todd,Danielle Kamis,2018-01-19 The ISSP Manual of Sports Psychiatry is the first text describing the role of a sports psychiatrist Covering both individual as well as team sports contact and non contact from childhood through late adulthood the manual describes the role of sports in our culture and details the psychiatric interventions associated with players and their teams The editors take a broad focus covering topics from neuroscience psychiatric and psychological aspects performance enhancement team chemistry and
