Lost Atlantis Great Deluge All:

The Lost Atlantis Edward N. Beecher, 1897 Lost Atlantis; Or the Great Deluge of All Beecher Edward N., 1901 The Lost Atlantis Sir Daniel Wilson, 1892 **Lost Atlantis** John Victor Luce, 1969 While granting that Plato embellished many of the details of the legend the author believes that there is a hard core of historical fact embedded in the concept of Atlantis Arch ological discoveries particularly the work of Sir Arthur Evans and his successors in Crete form the basis of this reappraisal and reconstruction of the legend mainly in connection with the striking theory of the volcanic destruction of the Minoan Empire Calling upon the very latest findings of volcanologists seismologists and oceanographers the author presents plausible evidence that the island of Crete was devastated by a great natural cataclysm about 1450 B C which also caused the disappearance of another adjacent island empire Book jacket The Ark, the Deluge, and the World's Great Year Gerald Massey, 2008-01-01 After the deluge in the destruction of mankind the god Ra establishes a covenant with those who have escaped from the flood He says that what he commanded is well done and that the destruction of his enemies removes destruction from themselves Said by the majesty of Ra It is well done all this I shall now protect men on account of this Said by Ra I now raise my hand that I shall not destroy men i e not again The making of this covenant after the deluge is followed by the establishment of the New Year s festival under the direction of the young priestesses of Hathor from The Ark the Deluge and the World s Great Year It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey s massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 9 of *Ancient Egypt* in which Massey explores the prevalent imagery across numerous mythological traditions of a global flood unleashed at the behest of an angry god and shows how they all sprang from Egyptian folklore Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* **Ancient Egypt, the Light of the World** Gerald Massey, 1907 *Ancient Egypt, the Light of the World* Gerald Massey, 1992 Gerald Massay was one of the first Egyptologists in modern times to realize that with the final eclipse of the incredibly old Land of Kam a k a ancient Egypt a light had been extinguished in world civilization He was a man of protean interests and concerns at once a poet socialist Shakespearean scholar mythographer and Egyptologist Part of his genius was the ability to look truth in the face and not flinch Massey did in the cultural domain what modern paleontologists have done in the anthropological pinpoint Africa as the crucible of humanity s story In the first volume of *Ancient Egypt* Massey was primarily concerned with elaborating how the first humans emergine in Africa created thought What had been evident to him

from the outset was that the myths rituals and religions of ancient Egypt or Old Kam had preserved virtually intact a record of the psychomythic evolution of humanity In the second volume Massey examines the celestial phenomenon known as the Precession of the Equinoxes He believed only by understanding this phenomenon was it possible to fathom Nile Valley history He provides the reader with extensive detail on the interconnection of the two The last half of the second volume is devoted to the Kamite sources of Christianity Massey demonstrated the manner in which New Testament Christianity evolved directly out of the Osirian mysteries Massey pioneered the effort to connect Old Kamite thought to its origin in Africa's antiquity His conclusions which are constantly being verified showed that Kamite thought was the direct progenitor to the philosophy metaphysics religion and science that eventually shaped Western civilization from back cover **The Ultimate 'Lost World'**
