New People Of The Flat Earth Brian Short,2018-01-16 A man chases after a mysterious metal object that may not even exist and his journey leads him on to ever greater levels of madness dissociation and metaphysical conundrums After ten years in a Zen monastery Proteus knows it s time to leave A troubled solitary man he knows what he seeks is not to be found sitting in meditation His problem is that during his time at the monastery he s discovered something strange inside his mind the ability to connect with a mysterious silent metallic spherical object he calls Mosquito His connection to this possibly extraterrestrial object which seems to dwell on an existential plane of its own gives Proteus a flimsy sense of purpose So when Mosquito abruptly disappears one day Proteus can t bear the loss and he sets off in pursuit of answers Thus starts a surreal philosophically maddening quest for meaning Chasing the elusive Mosquito leads Proteus to in between worlds where things do not quite hold together and where the living and the dead must learn to live in and out of the boundaries of time The further he gets from sanity the closer he comes to something that may turn out to be wisdom Playful but unapologetically challenging *New People of the Flat Earth* is a breathtakingly original novel that defies categorisation or summary

Where Ivy Dares to Grow Marielle Thompson,2023-06-27 Mexican Gothic meets Outlander in this spellbinding atmospheric timeslip debut novel as a woman struggling with her mental health spends the winter with her cruel in laws in their eerie haunting manor that sweeps her back through time and into the arms of her fianc s mysterious alluring 19th century ancestor Traveling to be with her fianc s terminally ill mother in her last days Saoirse Read expected her introduction to the family s ancestral home would be bittersweet But the stark thrust of Langdon Hall against the cliff and the hundred darkened windows in its battered walls are almost as forbidding as the woman who lies wasting inside Her fianc s parents make no secret of their distaste for Saoirse and their feelings have long

since spread to their son Or perhaps it is only the shadows of her mind suggesting she s unwelcome seizing on her fears while her beloved grieves As Saoirse takes to wandering the estate s winding dreamlike gardens overgrown and half wild with neglect she slips back through time to 1818 There she meets Theo Page a man like her fianc but softer more charming and who clearly harbors a fervent interest in her As it becomes clear that Theo is her fianc s ancestor and the tenuous peace of Langdon Hall crumbles around her Saoirse finds she s no longer sure which dreams and doubts belong to the present and which might not be dreams at all Rich immersive and heartachingly romantic B R Myers bestselling author of A Dreadful Splendor Delivers all the hallmarks of a classic Gothic novel told in a lyrical and hauntingly beautiful new voice Hester Fox author of A Lullaby for Witches The novel tugs at the heart filled with yearning for a real love who sees you as you really are and the journey to step from the shadows to the sun Kim Taylor Blakemore author of The Deception Richly drawn and evocative Marielle Thompson is a writer to watch Paulette Kennedy author of Parting the Veil A story about love in its many forms and the aches it sometimes brings A Gothic daydream of a read Briana Una McGuckin author of On Good Authority A story that is at once a haunting gothic novel a swoon worthy romantic tale and an unflinching look at what it can be to live with mental illness Alyssa Palombo author of The Spellbook of Katrina Van Tassel **Demotic** Todd Andrew Rohrer,2009-10 A man had an accident He lost his sense of time and emotional capacity This is his tenth attempt to communicate since the accident of October 2008 Fumbling in the Dark Chad Gillies,2011-06-01 DescriptionIt took me 33 years to figure out that I was mentally ill yes that is my whole life I can t put my finger on the name of the disease I have but it wasn t until recently that I admitted to myself that without a doubt I am absolutely depressed dysfunctional angry or just plain mad From about the time I was five years old I started a process to deny my dysfunction The personality traits in my head would help me to avoid dealing with my problems by making everything on a grand scale the gods were running a muck and that was keeping me in denial It was feast or famine total happiness or complete hate flowing through me There was no balance Then by the time I was a teen I started to drink my fears away and hide in my dysfunction that way I got by on my charming personality until I married and found that my anger was even making its way through the booze So I quit drinking at gun point I thought that would solve all my problems Well it turned out that I was drinking because I was hiding from the anger not that I was getting angry about my drinking I was miserable so I started looking at why I was so miserable I went off on a spiritual way of life it was fantastic It gave me a healthy means to avoid admitting that I was sick There was no creation in my life I was dominated by fear and I started to work my way out of it The more I worked on myself the more I realized that I needed to write it was like alchemy the more of my feelings I got out on paper the better I felt Finally I was able to admit that I truly am mentally ill and nothing I could do would fix it until I admitted it and then started to transform it by writing My poetry is really just my feelings that are spewing up from that which has been deprived to long No magic no shine just words from my intimate self About the AuthorChad Gillies was born in Red Deer Alberta May 09 1975 His father passed just 5 short years

later causing an avalanche of dysfunction to be thrust upon the youngster He grew up in a home where fur coats were sometimes more important than food And liquor was easier than feeling He was always loud and somewhat charismatic and quite rebellious With all that going for him he found it very easy to fit into all the wrong circles Two short years later he found himself with a new step father Always trying his best he looked for the approval of both his parents He was desperate he played their sports he ate their food he watched their shows and he did their chores He tried it all but he was miserable And nothing seemed to work As a teenager he found acceptance in a group of friends that had little in common The mutual thread they shared was each of their parents had absolutely no idea of who their kids really were They became tight They always stuck together and they bonded in beautiful dysfunction together Hiding from their pain they used drugs and alcohol on a near daily basis throughout middle and high school They learned to beg borrow and steal to fund their habits Chad did time in a juvenile detention centre which they say was easy time But of course he did not fit in there either Plagued with a quick temper and a completely different point of view he learned to use his humor to survive Chad went on the straight and narrow for a while except of course for the alcohol and drugs which sent him into a swirling depression and he nearly paid for it with his life In a state of complete desperation he attempted to end his life not once but twice His second attempt left him near death and unconscious for nearly 4 days When he awoke he was surrounded by the staff of a physician that quite simply did not understand the boy They again enabled Chad with more drugs so he could avoid feeling Chad was starting to feel well but felt he needed to get some things off his chest He confessed his whole life to Tammy in an attempt to lift his burden She could not handle all

Pop Poetry Robert Bannerman,2006-07-01 This is a collection of lyrics to various songs and poems by the author Pictures were downloaded from various websites of the said artistes and especially www bbc co uk and www bbcworld com The pictorial aspect accompanying the poetry is merely a facilitator to encourage young people to read the poetry and educate them about that era in the music industry The pictures chosen by the author are purely on sentimental grounds Needless to say if all the pictures of famous musicians were to be included the book would constitute over five volumes with more than eight thousand

famous names and faces Although music has gone through various flavours of change the dynamics and the fundamentals remain the same Music and poetry are still therapeutic elements in our troubled world
