The vanished religious colony of Ora Labora fell into a state of near constant inebriation when beer became the only safe liquid to drink. **Lost Towns of Monroe County, Michigan** Shawna Lynn Mazur, 2024-09-02 Echoes of the past can be found in every corner of Monroe County. Incredibly, the county has over a hundred lost towns across its fifteen townships. Some of these towns have notorious histories such as the murderer who founded a village and the town that robbed its own citizens. Some succumbed to tragedy including one that was swallowed up by the water and a resort town that disappeared. Others were simply absorbed by another state. Local historian and author of *Hidden History of Monroe County Michigan* Shawna Mazur collects the stories behind these vanished communities revealing where these towns were located, how they grew, and why they disappeared, often without a trace.

**Lost Car Companies of Detroit** Alan Naldrett, 2016-01-25 Among more than two hundred auto companies that tried their luck in the Motor City, just three remain: Ford, General Motors, and Chrysler. But many of those lost to history have colorful stories worth telling. For instance, J. J. Cole forgot to put brakes in his new auto, so on the first test run he had to drive it in circles until it ran out of gas. Brothers John and Horace Dodge often trashed saloons during wild evenings but used their great personal wealth to pay for the damage the next day if they could remember where they had been. David D. Buick went from being the founder of his own leading auto company to working the information desk at the Detroit Board of Trade. Author Alan Naldrett explores these and more tales of automakers who ultimately failed but shaped the industry and designs putting wheels on the road today.

**The 16th Michigan Infantry in the Civil War, Revised and Updated** Kim Crawford, 2019-08-01 On the hot summer evening of July 2, 1863, at the climax of the struggle for a Pennsylvania hill called Little Round Top, four Confederate regiments charge up the western slope attacking the smallest and most exposed of their Union foes: the 16th Michigan Infantry. Terrible fighting has raged, but what happens next will ultimately and unfairly stain the reputation of one of the

Army of the Potomac's veteran combat outfits made up of men from Detroit Saginaw Ontonagon Hillsdale Lansing Adrian Plymouth and Albion In the dramatic interpretation of the struggle for Little Round Top that followed the Battle of Gettysburg the 16th Michigan Infantry would be remembered as the one that broke during perhaps the most important turning point of the war Their colonel a young lawyer from Ann Arbor would pay with his life redeeming his own reputation while a kind of code of silence about what happened at Little Round Top was adopted by the regiment's survivors From soldiers letters journals and memoirs this book relates their experiences in camp on the march and in battle including their controversial role at Gettysburg up to the surrender of Gen Robert E Lee at Appomattox Court House

**Lost Towns of Mason County, Michigan** Sandi Lewis-Malburg, 2019 More than a century ago Mason County was a much different harsher place Arriving by foot and boat to find a dense wilderness hardy pioneers carved out tiny settlements stretching right to the coast of Lake Michigan When the lumber industry arrived in Michigan the settlements grew to boomtowns and new towns formed To serve the lumber industry the railroad spread across the county and immigrants and settlers flooded in to have their chance at the American Dream But when the lumber ran out the mills closed down Jobs disappeared and so did these towns Out of the thirty nine settlements only two cities and six fading villages remain today Join local author Sandi Lewis Malburg as she uncovers the towns that time forgot
