The Message of Love Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel's conviction is

that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today **NKJV, Children's**

Lessons for Christian Living Alice Peloubet Norton, 1894 Life Lessons Elisabeth Kübler-Ross, David Kessler, 2012-01-24

Ten years after Elisabeth Kübler-Ross's death, an inspiring guide to life distilled from the experiences of people who face death. Kirkus Reviews the beloved classic now with a new introduction and updated resources section. Is this really how I want to live my life? Each one of us at some point asks this question. The tragedy is not that life is short but that we often see only in hindsight what really matters. In her first book on life and living, Elisabeth Kübler-Ross joined with David Kessler to guide us through the practical and spiritual lessons we need to learn so that we can live life to its fullest in every moment. Many years of working with the dying have shown the authors that certain lessons come up over and over again. Some of these lessons are enormously difficult to master but even the attempts to understand them can be deeply rewarding. Here in fourteen accessible chapters, from the Lesson of Love to the Lesson of Happiness, the authors reveal the truth about our fears, our hopes, our relationships, and above all, about the grandness of who we really are. Continent, 1912 **Africa Study Bible, NLT** John Jusu, 2017. The Africa Study Bible brings together 350 contributors from over 50 countries, providing a unique African perspective. This Encyclopedia brings together the vast array of historical research into the reality of the man, the teachings, the acts, and the events ascribed to him that have served as the foundational story of one of the world's central religions. This kind of historiography is not biography. The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion. Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma, belief, and theological interpretation. In recent years, historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond. Entries will cover the classical studies that initiated the new historiography, the theoretical discussions about authenticating the historical record, the examination of sources that have led to the western understanding of Jesus' teachings and disseminated myth of the events concerning Jesus' birth and death. Subject areas include the history of the historical study of the New Testament, major contributors and their works, theoretical issues and concepts, methodologies and criteria, historical genres and rhetorical styles in the story of Jesus, historical and rhetorical context of martyrdom and messianism, historical teachings of Jesus, teachings within historical context of ethics.
