Free Love in Utopia George Wallingford Noyes, Lawrence Foster, 2001 The free love Oneida Community founded in New York state during the turbulent decades before the Civil War practiced an extraordinary system of complex marriage as part of its sustained experiment in creating the kingdom of heaven on earth For more than thirty years two hundred adult members considered themselves heterosexually married to the entire community rather than to a single monogamous partner Free Love in Utopia provides the first in depth account of how complex marriage was introduced among previously monogamous or single Oneida Community members Bringing together vivid firsthand writings by members of the community including personal correspondence memoranda on spiritual and material concerns and official pronouncements this volume portrays daily life in Oneida and the deep religious commitment that permeated every aspect of it It also presents a complex portrait of the community's founder John Humphrey Noyes who demanded not only complete religious loyalty from his followers but also minute control over their sexual lives It recounts the formidable legal suits faced by the community one of which almost forced it to disband in 1852 and the critical behind the scenes work of Noyes's second in command John L Miller Most important Free Love in Utopia describes in detail how Oneida's enlarged family was created and how its unorthodox practices affected its members Key selections from a large collection of primary documents detailing Oneida's early years were compiled by George Wallingford Noyes nephew of the founder The present volume astutely edited and introduced by noted communitarian scholar Lawrence Foster marks the first publication of G W Noyes's remarkable manuscript excerpted from the irreplaceable original documents that were deliberately burned after his death The volume also reproduces Oneida's First Annual Report which contains the sexual manifesto that underlay the community

Diary of a Lonely Girl, or The Battle against Free Love Miriam Karpilove, 2020-01-23 First published serially in the Yiddish daily newspaper *di Varhayt* in 1916 18 Diary of a Lonely Girl or The Battle against Free Love is a novel of intimate feelings and scandalous behaviors shot through with a dark humor From the perch of a diarist writing in first person about her own love life Miriam Karpilove's novel offers a snarky melodramatic criticism of radical leftist immigrant youth culture in early twentieth century New York City Squeezed between men who use their freethinking ideals to pressure her to be sexually available and nosy landladies who require her to maintain her respectability the narrator expresses frustration at her vulnerable circumstances with wry irreverence The novel boldly explores issues of consent body autonomy women's empowerment and

disempowerment around sexuality courtship and politics Karpilove immigrated to the United States from a small town near Minsk in 1905 and went on to become one of the most prolific and widely published women writers of prose in Yiddish Kirzane's skillful translation gives English readers long overdue access to Karpilove's original and provocative voice **The Expansion of Metaphysics** Miklos Veto, 2018-06-01 The culmination of a lifetime's preoccupation with crucial human concerns too often curiously marginalized by the history of philosophy The Expansion of Metaphysics sheds new light on freedom and the will by making the phenomenon of novelty philosophically intelligible The a priori synthesis of Kant is joined to Judeo Christian themes the kenosis of Christ in the incarnation and the tzimtzum of God in the creation in order to develop a doctrine of superabundance freedom and love and singularity with the Work of Art and the Child as paradigms Space and time are reanalyzed as structural forms of human existence as Veto guides the reader into the depths and heights of reality climaxing in a metaphysics of good and evil **Chaos and Grace** Mark Galli, 2011-10-01 It's no secret that we are addicted to control We work to control our time our TVs our weight and even our faith lives We strive for efficiency and quantifiable results But all that control we soon find out is exhausting And it is contrary to God's plan for us In Chaos and Grace Mark Galli offers readers freedom from the need for control and order by reintroducing them to the mysterious work of the Holy Spirit In this insightful book Galli exposes our individual mistakes and the church's foibles and points the way to grace which as it happens usually lies through chaos and crisis Through Scripture he shows us that this problem is not unique to modern believers and helps us learn from the stories of God's people through the ages as they gave up and gave in to the transforming work of the Holy Spirit **Love Is Free** JMS Books Authors, 2025-01-25 It's hard to believe we have entered the year 2025 with so many of our civil liberties which we fought so hard to achieve now on the cusp of being taken away The political scene in the United States as well as in many other countries has become more polarized in recent years In the aftermath of the US 2024 presidential election many of us have found it difficult to express our fears and concerns Regardless of nationality the authors of JMS Books sought an outlet for their emotions thus this anthology of short stories was created Love Is Free celebrates queer love in all its forms proving love can survive despite adversity Whether a quiet night in or a loud night out in this world or another in the past present or future this collection embraces how enduring same sex love can be in any and every shade under the LGBTQIA umbrella Featuring never before published work from 52 authors Love Is Free is a collaborative effort whose entirety will be a charitable keepsake whose message of love regardless of gender will endure beyond the current political strife threatening to tear us apart Authors included in this anthology are Adam Carpenter Alexandra Caluen Amy Spector Anne Russo Becky Black Carol Holland March Charles Payseur D J Fronimos and Elke Lakey David Connor and E F Mulder Dianne Hartsock Drew Hunt E M Schenker Ellie Thomas Emery C Walters Eule Grey Feral Sephrian Gareth Vaughn Gordon Phillips Hannah Morse Holly Day J D Walker J M Snyder J T Marie Jordan Demaine Justin James K L Noone K S Murphy Katey Hawthorne Kim Davis Kris T Bethke La Toya Hankins Mere Rain Michael
