Collection Jennifer Sucevic,2022-12-26 From USA Today bestselling author Jennifer Sucevic comes a steamy enemies to lovers forced proximity new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky football players who fall first and hard for them King of Campus Roan King The uncrowned king of Barnett University He s like a freaking celebrity around here People by which I mean grown women stalk him on the internet And around campus Apparently he s god s gift to both football and the ladies I m using that term loosely I ve heard that he s already plowed his way through half the female population at Barnett My guess is that he ll work his way through the second half before he gets drafted to the NFL later this year I don t plan to be one of them The guy is nothing more than a conceited player You know the type a steroid infused meathead coasting through college on his football prowess I have three words for you avoid avoid avoid I ve had the sad misfortune of running into him on campus Literally As in I literally slammed into him before spilling my iced coffee all over that wide rippling chest of his did I just say that What I learned from the experience is that Roan King is one hell of a cocky son of a I also learned that he has the most spectacular chest Unfortunately for me Operation Avoid Roan King isn t going so well Everywhere I go there he is If he wasn t so ridiculously hot he would be a hell of a lot easier to forget I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall Campus Player Trust me when I say that Rowan Michaels fever is alive and well at Western University His fanbase is legendary The guy is a major player Both on and off the field Girls fall all over themselves to be with him They fill the stands at football practice show up at parties he s rumored to be at Fine I ll admit it he s good looking If you re into that kind of thing Which I m not I ve got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis Too bad for me that Rowan is my father s star quarterback He s practically part of the family attending Wednesday night dinners with us To make matters worse we re in the same major and get stuck together in classes every semester It s like the universe is trying to play a cosmic joke on me But what if Rowan isn t the player I pegged him to be What if one little secret has the capability to change everything between us Love to Hate You Carter Prescott is one of those guys who has it all Wealthy family check Good looks check Brains to match all that brawn check And let s not even talk about all those sculpted muscles The guy

works out like it's his job. Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. But his obnoxious presence killed any attraction I might have felt a long time ago. Carter is my cousin's best friend and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. So when he takes his antics a little too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night. Fine, by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I necessarily taking things too far if I whip up a batch of laxative-laced brownies? The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his throat and squeezing tight. I'm sorry, did you actually think I was going to say something else? Please, as if that would happen.

Politics and the American Television Comedy Doyle Greene, 2007-10-24. This work examines the unique and ever-changing relationship between politics and comedy through an analysis of several popular American television programs. Focusing on close readings of the work of Ernie Kovacs, Soupy Sales, and Andy Kaufman, as well as *Green Acres* and *The Gong Show*, the author provides a unique glimpse at the often subversive nature of avant-garde television comedy. The crisis in American television during the political unrest of the late 1960s is also studied as represented by individual analyses of *The Monkees*.
