Gnosis On The Silk Road Gnostic Parables Hymns Prayers From Central Asia:

Gnosis on the Silk Road Hans-Joachim Klimkeit,1993 This first ever English translation of the major Gnostic texts from Asia is a vital discovery that reveals a new expression of Christianity as it blended with the mystical religions of Turkey Persia Central Asia and even China Manichaeism in Central Asia and China Samuel Lieu,2020-10-26 The discovery of genuine Manichaean texts from sites like Turfan and Tun huang since the beginning of the century has greatly increased our knowledge of the teaching of Manichaeism and of its amazing geographical spread in pre Islamic times This volume brings together the contributions by a leading authority on the subject including a long survey article on the history of the discovery of the texts from Central Asia as well as articles focusing on some of these texts and on the incredible history of adaptation and survival of the sect in China proper The studies include many Chinese texts on Manichaeism made available for the first time in their original scripts and in translation The volume also contains the first ever working catalogue of all Manichaean texts in western as well as oriental languages published up to 1997 Gnostic Contagion Peter O'Leary,2002-06-24 Brings together the study of literature with the psychology and history of religions *Gnosis of the Silk Road* ,1993 **The Gnostic New Age** April D. DeConick,2016-09-27 Gnosticism is a countercultural spirituality that forever changed the practice of Christianity Before it emerged in the second century passage to the afterlife required obedience to God and king Gnosticism proposed that human beings were manifestations of the divine unsettling the hierarchical foundations of the ancient world Subversive and revolutionary Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity This mystical strain affected not just Christianity but many other religions and it characterizes our understanding of the purpose and meaning of religion today In *The Gnostic New Age* April D DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity Gnosticism alleviated human suffering soothing feelings of existential brokenness and alienation through the promise of renewal as God DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries and contemporary New Age spiritual philosophies As these theories find expression in science fiction and fantasy films DeConick sees evidence of Gnosticism s next incarnation Her work emphasizes the universal countercultural appeal of a movement that embodies much more than a simple challenge to religious authority **The Silk Road and Cultural Exchanges between East and West** Xinjiang Rong,2022-10-31 This first and only English translation of Rong Xinjiang s *The Silk Road and Cultural Exchanges Between East and West* is a collection of 28 papers on the history of the Silk Road and the interactions among the peoples and cultures of East and Central Asia including the so called Western Regions in modern day Xinjiang Each paper is a masterly study that combines information obtained from historical records with excavated materials such as manuscripts inscriptions and

artefacts The new materials primarily come from north western China including sites in the regions of Dunhuang Turfan Kucha and Khotan The book contains a wealth of original insights into nearly every aspect of the complex history of this region

Manichaeian Texts from the Roman Empire Iain Gardner, Samuel N. C. Lieu, 2004-06-03 This 2004 book is a single volume collection of sources for Manichaeism a world religion founded by Mani the Syrian visionary

What is Gnosticism? Karen L. King, 2003 A study of gnosticism examines the various ways early Christians strove to define themselves in a pluralistic Roman society while questioning the traditional ideas of heresy and orthodoxy that have previously influenced historians

The World's Greatest Religious Leaders Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research

Biblical Argument in Manichaeian Missionary Practice Jacob Albert van den Berg, 2009-12-07 The use and appreciation of Scripture by the Manichaeians is a field of research with many unanswered questions This study offers an investigation into the role of the Bible in the writings of the important Manichaeian missionary Addas Adimantus flor ca 250 CE one of Mani's first disciples A major part of the book is dedicated to the reconstruction of the contents of his Disputationes in which writing Adimantus attempted to demonstrate that the Old and New Testaments are absolutely irreconcilable The most important source in this connection is Augustine who refuted a Latin translation of Adimantus work A thorough analysis of the contents of the Disputationes brings to the fore that Adimantus was a Marcionite prior to his going over to Mani's church

Gnosticism and the History of Religions David G. Robertson, 2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken

up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

Byzantium to China: Religion, History and Culture on the Silk Roads ,2022-07-18 This collection of papers reflects the interests and influence of Samuel N C Lieu on scholars and students during his academic career It demonstrates not only the importance of his work on Manichaeism but his broader intellectual contribution to early Christian Roman Byzantine and comparative historical studies His impact on Manichaean studies has been unparalleled resulting in several prestigious book series devoted to the linguistic and historical study of Mani and his religion It is largely thanks to his enterprise that scholars now have access to an extensive library of texts and images unavailable to earlier researchers The volume honours the life and work of a remarkable scholar of international renown

Gnosis Christoph Marksches,2003-07-01 This introduction to Gnosis by Christoph Marksches combines great clarity with immense learning In his Introduction Marksches defines the term Gnosis and its relationship to Gnosticism indicating why Gnosis is preferable and sketches out the main problems He then treats the sources both those in the church fathers and heresiologists and the more recent Nag Hammadi finds He goes on to discuss early forms of Gnosis in antiquity Jewish and Christian New Testament and the early Gnostics the main representatives of Gnosis especially Valentinus and Marcion Manichaeism as the culmination and end point of Gnosis ancient communities of Gnostics and finally Gnosis in antiquity and the present There is a useful chronological table and an excellent select bibliography

The Medinet Madi Library of Manichaean Codices at 90 ,2023-06-26 The Medinet Madi Library comes of age in this landmark volume as one of the 20th century s major finds of religious manuscripts Discovered in Egypt s Fayum region in 1929 these Coptic codices contain a cross section of the sacred literature of the Manichaean religion Early work on the collection in the 1930s was cut short by the ravages of the second world war Recent decades have brought multiple new editorial projects on which this volume offers a comprehensive set of status reports as well as individual studies on aspects of the Manichaean religion informed by the library s contents
