God, the Gold, and the Glory Larry Hutton, 2015-01-06 It is impossible to separate God and His glory from the riches He created. Riches have been associated with God from the beginning of time. Throughout the Scriptures, God clearly reveals His desire to pour out this abundance upon His people for His glory. In this insightful book, Dr. Larry Hutton delivers a powerful message that breaks through tradition and unlocks the mysteries of receiving and enjoying God's financial blessings while still exhibiting a godly lifestyle. The biblical principles outlined in this book are illustrated through personal experiences and will start you on a life of peace, joy, and financial freedom. His teaching reveals God is a God of abundance. You are a legal heir of an affluent family. The world's trap: living paycheck to paycheck. How to increase your financial harvests. And much, much more. Don't let past misunderstandings rob you of the blessings that God wants to bring into your life today. Take hold of the bountiful provision God has for you and start living a life that glorifies Him.

Internal Affairs Larry Hutton, 2010-01-18 Control your feelings 100% of the time. Are you one who has difficulty controlling your temper? Do you feel continual strife in your home? Is stress getting the best of you? Are you constantly haunted by depression? Are worry, hurt feelings, or discouragement overwhelming your life? If so, we have great news for you. Table Talk with Jesus Tony Hart, 2020-09-15 There has been much written lately about God's call to discipleship. At the end of His earthly ministry, Jesus gathered His disciples around the Passover feast and shared the motivation and the provision for following Jesus that are valuable for believers throughout the centuries. This book provides a seat at the table and an opportunity to reflect on the words of our Lord at the Last Supper.

Walking with God Through Pain and Suffering Timothy Keller, 2015-08-04 The question of why God would allow pain and suffering in the world has vexed believers and nonbelievers forever. In *Walking with God through Pain and Suffering*, Timothy Keller takes on this enduring issue and shows that there is meaning and reason behind pain and suffering, making a forceful and groundbreaking case that this essential part of the human experience can be overcome only by understanding our relationship with God. Using biblical wisdom and personal stories of overcoming adversity, Keller brings a much-needed fresh viewpoint to this important issue. Back cover.

Book 6 Biblical Faith PB Kurt Jurgensmeier, 2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God's commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason
