The Religious Case for Equality

JAY MICHAELSON

"Michaelson shows that 'God versus gay' is a myth and that the overwhelming majority of our shared religious values favor equality for LGBT people."

God Vs Gay The Religious Case For Equality Queer Ideasqueer Action:

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one

Redefining Religious Liberty Jay Michaelson, 2013-03-01 *The Gaying of America & The Love of God* M.A.R., 2014 What does God say about homosexuality How does this differ from what society says Is homosexuality wrong Does God hate gays Rarely will you encounter a book which speaks both of the love of God and homosexuality Homosexuality usually elicits blasts of judgment from the religious community and not love The Gaying of America and the Love of God reconciles these three seemingly opposing topics explaining how God views the behaviors of His most precious creation humanity Jesus response when confronted with sexual misgivings is telling of what the religious community s attitude should be on this exploding topic An examination of Abraham also reveals a surprising reaction from the patriarch of three of the world s largest religions What influence will gay marriage have on the fate of the United States of America This book brings God s perspective to this conversation in an attempt to bring all communities together including those in the LGBT community A truly prophetic call to the church and to the modern world **God Did Too Make Adam and Steve** Denny

Smith, 2015-09-24 God Did TOO Make Adam Steve is short and concise yet filled with powerful and thought provoking content Whether you are accepting of gay people and their families opposed to the idea of gay relationships or somewhere in between this book is designed to help readers replace blistering rhetoric with meaningful dialogue and deal with issues in a calm manner Regardless of where you stand on the issue of equality for same sex couples after reading this book you will approach the issue with deeper insight increased understanding and the confidence to engage in meaningful conversation Although marriage equality is a legal reality in America a lot of controversy and misunderstanding still surrounds the issue Many parents and families still struggle some to the point of severely strained relationship Wherever families are on their journey God Did TOO Make Adam Steve helps parents siblings and friends of LGBT people to move towards love support and

acceptance Religious differences still divide us and cause us to engage in heated and sometimes hurtful conversations This book empowers people to engage in civil discourse in a non threatening way Writer Denny Smith brings a traditional background a public school education a social conscience and a parent s love to the controversial issue of marriage equality This book will lead you to consider Is Sexual Orientation a choice or is it inherent Is the love between two gay people any different than the love between a man and a woman Is gay marriage really a threat to the institution of marriage Is it possible for us to disagree without being disagreeable Based on personal insight scholarly reference scriptural context God Did TOO Make Adam Steve confronts ideologues and bashers who would deny legal rights and human dignity to LGBT citizens It drives a nail although amicable through the facade of political and religious extremism that denies that all men and women regardless of sexuality are children of a loving Creator God Did TOO Make Adam Steve is more than an academic text or social treatise it is a saga of love and justice that supports the growing belief of mainstream America that marriage is a personal issue constitutionally guaranteed

God and the Gay Christian Matthew Vines,2014 Reinterpretations of key Bible texts related to sexual orientation written by a Harvard student present an accessible case for a modern Christian conservative acceptance of sexual diversity

Taking a Chance on God John J. McNeill,2015-10-27 Taking a Chance on God explores how lesbians and gay men can claim both a positive gay identity and a fulfilling life of Christian faith

The Queer God Marcella Althaus-Reid,2004-06-01 There are those who go to gay bars and salsa clubs with rosaries in their pockets and who make camp chapels of their living rooms Others enter churches with love letters hidden in their bags because their need for God and their need for love refuse to fit into different compartments But what goodness and righteousness can prevail if you are in love with someone whom you are ecclesiastically not supposed to love Where is God in a salsa bar The Queer God introduces a new theology from the margins of sexual deviance and economic exclusion Its chapters on Bisexual Theology Sadean holiness gay worship in Brazil and Queer sainthood mark the search for a different face of God the Queer God who challenges the oppressive powers of heterosexual orthodoxy whiteness and global capitalism Inspired by the transgressive spaces of Latin American spirituality where the experiences of slum children merge with Queer interpretations of grace and holiness The Queer God seeks to liberate God from the closet of traditional Christian thought and to embrace God s part in the lives of gays lesbians and the poor Only a theology that dares to be radical can show us the presence of God in our times The Queer God creates a concept of holiness that overcomes sexual and colonial prejudices and shows how Queer Theology is ultimately the search for God s own deliverance Using Liberation Theology and Queer Theory it exposes the sexual roots that underlie all theology and takes the search for God to new depths of social and sexual exclusion

Christianity and the Limits of Minority Acceptance in America J. E. Sumerau,Ryan T. Cragun,2018-07-27 This book explores the ways Christian women in college make sense of bisexual transgender polyamorous and atheist others Specifically it explores the ways they express tolerance for some sexual groups such as lesbian and gay people while maintaining condemnation of other sexual

gendered or religious groups In so doing this book highlights the limits of Christian tolerance for the advancement of minority rights **God Believes in Love** Gene Robinson,2012-09-18 From the Bishop of the Diocese of New Hampshire in the Episcopal Church the first openly gay person elected in 2003 to the historic episcopate and the world s leading religious spokesperson for gay rights and gay marriage a groundbreaking book that lovingly and persuasively makes the case for same sex marriage using a commonsense reasoned religious argument made by someone who holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion equally familiar with the secular and political debate going on in America today and for whom same sex marriage is a personal issue Robinson was married to a woman for two decades and is a father of two children and has been married to a man for the last four years of a twenty three year relationship **Slouching towards Gaytheism** W. C. Harris,2014-02-19 Slouching towards Gaytheism brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage s It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives **Jesus, the Bible, and Homosexuality, Revised and Expanded Edition** Jack Rogers,2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church s history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection **Anti-gay Equals Anti-God** Samuel D. Behrens,2006 If you are Christian and you are anti gay according to the Bible you are also anti God Your ignorance will no longer count when you stand before God on that great judgment day in heaven Because of your disdain and hatred of homosexuals because of your ignorance if you do not repent and pray to Jesus Christ for forgiveness you will find yourself in the fiery burning pit of hell **Torn** Justin Lee,2012-11-13 Newly revised and updated An evangelical Christian examines the impact of sexuality the LGBTQ movement

and the future of the church in this thoughtful deeply researched guide to navigating and mending the social and political division in our families and churches Nicknamed God Boy by his peers Lee knew that he was called to a life in evangelical Christian ministry But questions about his own sexuality forced him to rethink his love the sinner hate the sin approach sending him on a journey to better understand the Bible the science and the history of the church s gay debate eventually leading him to become one of the most respected voices on the subject on both sides of the divide Filled with personal stories and careful research Torn provides insightful practical guidance for all committed Christians who wonder how to relate to gay friends or family members or who struggle with their own sexuality Torn has been a trusted resource for over a decade and this updated edition features new material to address the impact and aftermath of the ex gay movement gender identity and the broader LGBTQ movement and an updated and expanded look at where the overall affirming Christian movement is going It also features new practical recommendations for combating the increased polarization that threatens to tear us apart

What God Has Joined Together David G. Myers, Letha Dawson Scanzoni, 2024-05-21 Gay marriage has become the most important domestic social issue facing twenty first century Americans particularly Americans of faith Most Christians are pro marriage and hold traditional family values but should they endorse extending marriage rights to gays and lesbians If Jesus enjoined us to love our neighbors as ourselves and the homosexual is our neighbor does that mean we should accept and bless gay marriages These and other related questions are tearing many faith based communities apart Across the country states have voted courts have debated and churches have divided over the legitimacy of same sex marriage Amid the uproar one perspective is decidedly missing that of thoughtful pro marriage Christians who informed by their faith are struggling to make sense of this issue What God Has Joined Together is an effort to bridge the divide between marriage supporting and gay supporting people of faith by showing why both sides have important things to say and showing how both sides can coexist Drawing on scientific research as well as on the Bible the authors explain that marriage is emotionally physically financially and spiritually beneficial for everyone not just heterosexuals They debunk myths about sexual orientation assess claims of sexual reorientation and explore what the Bible does and does not say about same sex relationships The book ends with a persuasive case for gay marriage and outlines how this can be a win win solution for all

Men, Homosexuality, and the Gods Ronald Long, 2013-02-01 Compare worldwide religious regulations involving gay sex and masculinity Men Homosexuality and the Gods An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye opening look at the traditions of particular religions and their edicts concerning gay sex This book examines the origins of holy directives involving homosexuality whether forbidden tolerated or mandatory and establishes a link between theology sex roles and the sensitive issue of masculinity This text draws a parallel between homosexuality and the idea of religion suggesting that gay rights can be understood as a freedom of religion issue While most readers are familiar with the traditional Islamic Christian and Hebrew prohibitions against sex between two males this

book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality Men Homosexuality and the Gods argues that masculinity is the universal theme that formed historical interpretation warriors and men of high status could not be sexually receptive or feminine and still be called men This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Men Homosexuality and the Gods examines the significance of homosexuality in such religions as the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men Homosexuality and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com

Does Jesus Really Love Me? Jeff Chu, 2014-04-15 Fascinating thoughtful and important Jeff Chu captures the fractures and conflict at a moment when the issue of what to do with L G B T people is tearing Christian denominations apart Does Jesus Really Love Me deserves to be widely read Dan Savage New York Times Book Review In this timely work part memoir part investigative analysis a prize winning writer explores the explosive and confusing intersection of faith politics and sexuality in Christian America When Jeff Chu came out to his parents as a gay man his devout Christian mother cried And cried Every time she looked at him For months As a journalist and a believer Chu knew that he had to get to the heart of a question that had been haunting him for years Does Jesus really love me The quest to find an answer propels Chu on a remarkable cross country journey to discover the God forbidden to him because of his sexuality Surveying the breadth of the political and theological spectrum from the most conservative viewpoints to the most liberal he tries to distill what the diverse followers of Christ believe about homosexuality and to understand how these people who purportedly follow the same God and the same Scriptures have come to hold such a wide range of opinions Why does Pastor A believe that God hates me especially because of my gayness Why does Person B believe that God loves me gayness and all From Brooklyn to Nashville to California from Westboro Baptist Church and their god hates fags protest signs to the pioneering Episcopal bishop Mary Glasspool who proclaims a message of liberation and divine love Chu captures spiritual snapshots of Christian America at a remarkable moment when tensions between both sides in the culture wars have rarely been higher Both funny and heartbreaking perplexing and wise Does Jesus Really Love Me is an intellectual emotional and spiritual pilgrimage that reveals a portrait of a faith and a nation at odds

Queering Christ Robert Goss, 2002 Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community

God Hates Fags Michael Cobb, 2006-06-01 2007 Choice Outstanding Academic Title At the funeral of Matthew Shepard the young Wyoming man brutally murdered for being gay the Reverend Fred Phelps led his parishioners in protest displaying signs with slogans like Matt Shepard rots in Hell Fags Die God Laughs

and God Hates Fags In counter protest activists launched an angel action dressing in angel costumes with seven foot high wings and creating a visible barrier so one would not have to see the hateful signs Though long thought of as one of the most virulently anti gay genres of contemporary American politics and culture in God Hates Fags Michael Cobb maintains that religious discourses have curiously figured as the most potent and pervasive forms of queer expression and activism throughout the twentieth century Cobb focuses on how queers have assumed religious rhetoric strategically to respond to the violence done against them alternating close readings of writings by James Baldwin Tennessee Williams Jean Toomer Dorothy Allison and Stephen Crane with critical legal and political analyses of Supreme Court Cases and anti gay legislation He also pays deep attention to the political strategies public declarations websites interviews and other media made by key religious right organizations that have mounted the most successful regulations and condemnations of homosexuality

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

This We Believe C. S. Pearce, 2012-10 This We Believe The Christian Case for Gay Civil Rights demonstrates how traditional Christian beliefs about homosexuality are hurting all of the church especially its most vulnerable members young gay people who are convinced that their very essence is sinful It summarizes the latest scientific research current Biblical scholarship and the teachings of Jesus to show why an ever growing number of Christian leaders and laypeople now support marriage equality and other civil rights for gay lesbian and transgender people This book is a veritable CliffsNotes on what we now know about homosexuality and its relationship to

Christian faith In a few short pages C S Pearce debunks long held myths clarifies Scripture and argues for a much needed rethinking of the Church s traditional stand Just reading these words will reassure young gay and lesbian people that God loves them just as they are while challenging those who are not so sure that perhaps they have put God s love in too small a box The Rt Rev V Gene Robinson Bishop of New Hampshire
