"God Wills It!" A Tale of the First Crusade William Stearns Davis, 2019-11-29 In *God Wills It A Tale of the First Crusade* William Stearns Davis masterfully intertwines historical fact with poignant narrative to depict the fervor and complexity of the First Crusade. Written in an engaging style that blends dramatic storytelling with meticulous historical research, the novel presents a vivid portrayal of the medieval mindset rooted in faith and chivalry. As characters navigate the treacherous landscape of war, religious zealotry, and cultural encounters, Davis immerses readers in the era's turmoil, offering a compelling reflection on the human spirit amid chaos. William Stearns Davis, who lived during a time when interest in medieval history surged, draws on his extensive background in history to craft this immersive tale. His scholarly pursuits, coupled with a profound understanding of the socio-political dynamics of the Crusades, imbue the work with authenticity. Personal experiences and scholarly interests in medieval literature and history undoubtedly influenced Davis's narrative choices, allowing him to bridge the gap between academic rigor and literary artistry. I highly recommend *God Wills It* to readers intrigued by the complexities of human motivations during times of conflict. This novel not only enlightens with its historical context but also captivates through its rich character development and evocative prose, making it an essential addition to both historical fiction and Crusade studies.

"God Wills It!" William Stearns Davis, 1935      *"God Wills It!"* William Stearns Davis, 1901      **God Wills It!** William Davis, 2015-05-20 The First Crusade was the sacrifice of France for the sins of the Dark Ages. Alone of all the Crusades, it succeeded despite its surrender of countless lives. No Richard of England, no St. Louis, led its heroes; were the nobles and peasants of France and Norman Italy who endured a thousand perils and hewed their victorious way to Jerusalem. In this Crusade, united Feudalism and Papacy won their greatest triumph. Notwithstanding the self-seeking of a few, the mass of the Crusaders were true to their profession; they sought no worldly gain but to wash out their sins in infidel blood. In this Crusade also the alien civilizations of Christendom and Islam were brought into a dramatic collision which has few historic counterparts. Except in Scott's *Count Robert of Paris*, which deals wholly with the Constantinople episode, I believe the First Crusade has not been interpreted in fiction. Possibly therefore the present book may have a slight value as seeking to tell the story of the greatest event of a great age. I have sometimes used modern spellings instead of unfamiliar eleventh-century names. The Crusade chronicles often contradict one another, and once or twice I have taken trifling liberties. To Mr. S. S. Drury and Mr. Charles Hill, University friends who have rendered kind aid on several historical details, I owe many thanks. W. S. D.
