Allison, Jr.,2005-08-18 Jesus remains a popular figure in contemporary culture and Allison remains one of our best interpreters He speaks around the country in a variety of venues on matters related to the study of the Historical Jesus In his new book he focuses on the historical Jesus and eschatology concluding that the Jesus was not a Hellenistic wonder worker or teacher of pious morality but an apocalyptic prophet In an opening chapter that is worth the price of admission Allison astutely and engagingly captures the history of the search for the historical Jesus He observes that many contemporary readings of Jesus shift the focus away from traditional theological Christological and eschatological concerns In provocative fashion He takes on not only the Jesus Seminar but also other Jesus interpreters such as N T Wright and Marcus Borg **Fundamentalism in America** Philip Melling,2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millenialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing Fundamentalism in America provides a vital and compelling account of the present state of religious and nationality identity in the United States All Shades Between D.F. **The Father Confusors** Renford,2010-09-15 The author has published many books articles and essays that take a metaphysical approach to interpreting ancient texts such as the Vedas the Dhampravada the Tao Teh Ching and the Bible He follows no theological dogma nor adopts any philosophical school He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture Some text must be taken metaphysically some as historical and some as physical events in which the witness had little or no point of reference comparable to ours In any other approach one will be interpreting based on a fixed religious tradition or a philosophical bias We have seen many variations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference between Universal Being and the warrior gods depicted in the ancient texts

**Religious Delusions, American Style** Blair Alan Gadsby,2020-02-21 Americans would be shocked to understand just how their religious beliefs have been used against them in the political elites efforts to engineer society and public policy In this historical overview of key moments in American religious history Gadsby demonstrates that what we are commonly taught in our education systems mass media and the political world about religions role in any number of events is anything but In the spirit of Lies My Teacher Told Me Religious Delusions American Style discusses eight areas in American history ranging from turn of the nineteenth century eugenics and the Scopes Monkey Trial to the mind control program known as Jonestown to the implausible two planes three buildings straight down operation called 9 11 we have been deceived in a big way about what has been done in the name of religion

**The Demons of William James** Tadd Ruetenik,2018-07-04 This book is a psychological exploration of unusual minds a religious exploration of demonological myth and a philosophical exploration of the reaches of pragmatism It uses topics such as hypnotism mediumship and mass possession to argue for a comprehensive understanding of the demonic that acknowledges not only the creativity which it encourages but also the danger it can bring Professor Ruetenik uses James religious pragmatism to evaluate the relevance of psychical research and to explain common beliefs regarding demons spirits and other controlling personalities The conclusion of this interdisciplinary research is as alarming as it is fascinating When exploring the demons of William James we discover that ordinary personality cannot be clearly separated from what we consider the demonic
