Harris,2022-09-21 God wants you to know that there is nothing you have done that can separate you from His love He has a plan for your life Your job is to get to know Him learn to trust Him believe His Word apply the Word to your life s circumstances and follow His direction God knew all the mistakes we would make and all the wrong turns we would take He knew all the times we would be taken advantage of and hurt He knew beforehand how He would take all that the devil meant for evil and how He would use it to work out for our good God will let nothing that we go through be wasted This book is filled with stories and lessons learned about my life my relationship with God and how He has shown me over and over His love for me in spite of myself But not just for me but His love for all of us Even though we often turn away from God to go our own way God will take great measure to draw us back to Him and not leave us out there in our own mess God knew everything that would happen in your life before you were born the good the bad and the ugly Everything that we go through God uses it to teach us that we can trust and depend on Him with everything in our life Don t you see if He knew you before you were born all the things that happen in your life are all a part of God s plan     **Sermons on the First Readings: Cycle**

**B** Curtis Lewis,Richard E Gribble,Linda R Forsberg,2002 Full of gripping illustrations that bring the scriptures to life this anthology includes sermons for each Sunday and major celebration throughout the Christian year based on the First Readings from Cycle B of the Revised Common Lectionary The powerful messages from preachers across the denominational

spectrum interpret texts from the Old Testament and Acts in fresh ways that proclaim the good news for the twenty first century Building upon stories in which God moves ordinary people to extraordinary heights these sermons combine creative imagination with abundant insight into vital current issues to transform our human despair into trust in the Lord s divine providence This is an essential resource that s useful for Fresh homiletical approaches to the lectionary texts Preaching illustrations A clearer understanding of scripture passages Adult study and discussion groups Personal devotions and Bible study on each Sunday s texts Alan Stewart has prepared a creative thoughtful relevant and positive series of messages that will bless all of those who use them He has certainly caught the spirit and reality of the positive perception of what church is supposed to be Robert H Schuller Pastor The Crystal Cathedral Garden Grove California Timothy Smith s sermons lift up the common humanity that inhabits both the Hebrew scriptures and modern culture and point the hearer to the God who is active in both as Judge and Redeemer They reflect a pastor s sensitivity to men and women who are so enmeshed in webs of their own weaving that they have lost all hope of release and who are amazed when God breaks through Kendall K McCabe Vice President for Academic Affairs Professor of Homiletics and Worship United Theological Seminary What the Bible Really Says about How to Hear God Peter Tullener,2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can t hear the word of God Hearing God s voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author s life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life **Come Quickly** Elaine Hensley Ph.D. L.Ac.,2019-06-06 Turn off your phone and TV Find a quiet place and listen God is trying to speak to you Look for Him seek His face and listen If God were trying to speak to you right now what would He say Do you know how much I love you Do you trust Me Come to Me come back Come quickly and follow Me Do not look to the right or to the left Keep your eyes on Me I believe God in one way or another speaks to us daily if we learn how to communicate with Him You want to just dismiss it right I can hear you saying God only spoke to people in the Bible I don t believe God uses a burning bush or angel every time He wants to convey

a message God is everywhere He can communicate in in any way and as often as He chooses However who says God spoke to them these days They are either lying or crazy Well I say to you okay have it your way and don t believe Then don t be surprised when you dream about something totally odd one night and can t help but wonder if it was just a dream or a message from God trying to talk to you If he can t get your attention one way He will get it another Do yourself a favor and pay attention the first time Why is He speaking to us      God Still Speaks Through Your Dreams Greg Cynaumon,2008-07-13
