Gods Divine Healing And Hope Memoirs From A Mothers Heart:

God's Divine Healing and Hope T. Melody Harris, 2010-12 Written to offer hope encouragement and inspiration to families who have lost loved ones and more particularly parents who have lost a child God, The Devil and Divorce Linda M. Kurth, 2020-11-03 God The Devil and Divorce tells the story of a Christian woman's marriage and divorce recovery from her crazymaking spouse and how she learned to trust God along the way How could Linda Moore Kurth's marriage that once seemed so right become so wrong Put downs shaming and distancing grow into habitual emotional abuse Counseling provides glimmers of hope only for that hope to fade She is shocked when her latest Christian counselor tells her If you divorce Satan wins Linda receives a dichotomy of reactions from other Christians for her ultimate decision to leave her marriage Betrayal and heartache bring her to her knees but she clings to the belief that God loves her more than He loved her marriage That belief sustains her as she builds a life of abundant joy An inspirational read for Christians going through divorce and recovery Memories of the Way It Was K.L. Smith, 2025-10-04 Memories of the Way It Was is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God's beautiful world Ultimately we are all God's children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and

Devotions for the Wounded Heart Dennis Cory, 2011 When Jesus Christ began His earthly ministry He first went out and got baptized and was then led of the Holy Spirit into the wilderness and there was tempted by the Devil Then in the power of the Spirit He began teaching in the synagogues When He came to His hometown of Nazareth and went to church on the Sabbath and stood up to read the elders delivered the book of Isaiah to Him and He opened the book to the place where He read these words The Spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of sight to the blind to set at liberty them that are bruised To preach the acceptable year of the Lord Luke 4 18 19 KJV Jesus chose this passage of Scripture because it was known to be a prophecy of the coming Messiah and it is a concise outline of the purpose and ministry calling of our Lord The Holy Spirit living in the hearts of every born again Christian is working to fulfill this Scripture for us all Jesus Christ by the Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person It is will of God that no human being perish but that everyone would come to repentance It is therefore His will that we all hear and respond to the gospel that our broken hearts be healed that the chains of our captive bondage be broken that our physical and spiritual eyes be opened and that every bruise and wound we carry be healed That is the theme calling and purpose by which this daily devotional has been inspired to be written The Word of God is clear in that our heavenly Father wants all people to accept His salvation but just as true He wants all to be healed and delivered It is my prayer that this devotional will be used of the Lord to help accomplish this work in your lives Findina God Bevond Religion Tom Stella, 2013 Do you describe yourself as spiritual but not religious Whether young or old church connected or

not are you spiritually restless for an authentic faith life but do not find conventional religious teachings pertinent to you This accessible guide to a meaningful spiritual life is a salve for your soul It reinterprets traditional religious teachings central to the Christian faith God Jesus faith prayer morality and more in ways that connect with people who have outgrown the beliefs and devotional practices that once made sense to them Mourner, Mother, Midwife L.
