Cleansing Rites of Curanderismo Erika Buenaflor, 2018-07-10 A tutorial on the ancient practice of limpias to heal the mind body and soul Offers step by step instructions for the practice of limpias shamanic cleansing rituals to heal purify and revitalize people as well as physical spaces Examines different types of limpia ceremonies such as fire rites for transformation water rites for cleansing and influencing and sweeping rites for divination Explores the sacred stories behind limpia rituals and traces these curanderismo practices to their indigenous roots Exploring the essential tools and practices of Mesoamerican shamans and curanderos specifically the ancient Yukatek Maya and Mexica Aztec Erika Buenaflor M A J D provides a step by step guide for conducting the most common practice within curanderismo limpias These practical and incredibly effective shamanic cleanses heal purify and revitalize people and spaces with herbs flowers eggs feathers fire and water They are also powerful tools for self empowerment spiritual growth soul retrieval rebirth and gracefully opening up pathways for new beginnings Drawing on her 20 years experience as a curandera and her graduate studies focused on Mesoamerican shamanism the author traces modern curanderismo practices to their indigenous roots She explores the sacred stories behind limpia rituals and examines different types of limpia ceremonies in depth such as fire rites for transformation water rites for cleansing and influencing and sweeping rites for divination She outlines how limpias work holistically to enable one to let go and cleanse the body mind and spirit of limiting beliefs traumas and broken stories heal acute and chronic illnesses such as depression insomnia and anxiety and revitalize and activate sacred spaces by renewing their essence and clearing negative energies She explains the healing properties of the plants used in limpia rites and how to perform the medicinal chants used by the curanderos In addition the author details how the practice of platicas heart straightening talks supports limpia rites by encouraging one to vocalize their needs as they eject traumas and unwanted energies from the body setting the stage for self awareness and healing Sharing the story of her own complete healing from a catastrophic injury with limpias as well as inspirational testimonies from others who have experienced limpias the author provides a personal and thoroughly practical guide to the ancient shamanic method of limpias to promote healing and personal transformation in our times

Letras y Limpias Amanda V. Ellis, 2021-08-10 Letras y Limpias is the first book to explore the literary significance of the figure of the curandera within Mexican American literature Amanda Ellis traces the significance of the curandera and her evolution across a variety of genres written by leading Mexican American authors including Am rico Paredes Rudolfo Anaya Gloria E Anzald a Manuel Munoz ire ne lara silva and more Ellis explores the curandera in relationship to decoloniality bioethics and the topic of healing while recognizing the limitations and spiritual shortcomings of Western medicine Ellis argues that our contemporary western health care system does not know how to fully grapple with illnesses that patients face Ellis reads the curandera s perennial representation as an ongoing example of

decolonial love useful for deconstructing narrow definitions of health and personhood and for grappling with the effects of neoliberalism and colonialism on the health care industry Letras y Limpias draws from Chicana feminist theory to assert the importance of the mindbodyspirit connection Ellis conveys theoretical insights about the continual reimagining of the figure of the curandera as a watermark across Mexican American literary texts This literary figure points to the oppressive forces that create susto and reminds us that healing work requires specific attention to colonialism its legacy and an intentional choice to carry forward the traditional practices rooted in curanderismo passed on from prior generations By turning toward the figure of the curandera readers are better poised to challenge prevailing ideas about health and imagine ways to confront the ongoing problems that coloniality creates Letras y Limpias shows how the figure of the curandera offers us ways to heal that have nothing to do with copays or medical professionals refusing care and everything to do with honoring the beauty and complexity of any every and all humans

Letras Y Limpias Amanda Ellis,2021-08-10 Letras y Limpias is the first book to explore the literary significance of the curandera It offers critical new insights about how traditional medicine and folk healing underwrite Mexican American literature Amanda Ellis traces the significance of the curandera and her evolution across a variety of genres written by Mexican American authors such as Gloria E Anzald a Manuel Munoz ire ne lara silva and more

How STEM Built the Aztec Empire Amie Jane Leavitt,2019-12-15 Mostly known today for its complex pantheon and religious rituals the Aztec empire was also highly advanced in the fields of science technology engineering and math or STEM With the capital city of the empire built in the middle of a lake the geographical political and economic needs of the Aztecs drove innovation for

centuries Massive construction projects including ziggurats causeways and aqueducts demonstrated that the Aztecs had ambitious goals as well as the STEM knowledge to achieve them Though much of its history was destroyed the accomplishments of the Aztecs are an impressive reminder of history s ingenuity Conflict in the Early Americas Rebecca M. Seaman,2013-08-27 This detailed study is the only reference work of its kind to address Spain s conquest of Central and South America providing in depth coverage of native and European ideologies political motivations and cultural practices of the region As the study of world history evolves from a Eurocentric perspective to a more global viewpoint formerly marginalized groups are now the focus of discussion revealing a background rich with important military political social and economic achievements This book examines the once prosperous and powerful native civilizations in Central and South America discussing the key individuals strategies and politics that made these countries strong and indomitable In spite of this the author shows how in only a few generations Spain defeated these mini empires eventually dominating much of the Western Hemisphere Conflict in the Early Americas An Encyclopedia of the Spanish Empire s Aztec Incan and Mayan Conquests focuses primarily on the defeat of the Aztec Incan and Mayan civilizations but also includes Spanish interactions with lesser known native groups Supporting documents including primary sources maps and visual aids provide necessary context to this once untold story An Introduction to Mesoamerican Philosophy Alexis McLeod,2023-08-03 The philosophy of Mesoamerica the indigenous groups of precolonial North Central America is rich and varied but relatively little known In this ground breaking book Alexis McLeod introduces the philosophical traditions of the Maya Nahua Aztecs Mixtecs Zapotecs and others focussing in particular on their treatment of language truth time creation personhood knowledge and morality His wide ranging discussion includes important texts of world literature such as the K iche Maya Popol Vuh and the Aztec Florentine Codex as well as precolonial glyphic texts and imagery This comprehensive and accessible book will give students specialists and other interested readers an understanding of Mesoamerican philosophy and a sense of the current scholarship in the field *The Goddess Discovered* Shelley A. Kaehr,2025-08-05 Your Complete Guide to Hundreds of Goddesses Around the World Meet the many incarnations of the divine feminine past and present with this comprehensive reference guide by bestselling author Shelley A Kaehr PhD Featuring more than five hundred goddesses over forty exercises and journal prompts and guided journeys for understanding yourself at the soul level this book connects you with ancestral energy and can bring peace and balance to your life Shelley first introduces you to goddesses of the ancient world exploring Egyptian Celtic Greek Norse and Mesoamerican pantheons She then shares the living goddesses of modern world religions African East Asian Hindu and Indigenous peoples Each goddess entry features her keywords categories history and lore In discovering these deities you can enliven goddess energy within you and even uncover past lives Altera Roma Claire L. Lyons,John M. D. Pohl,2016-12-31 Altera Roma explores the confrontation of two cultures European and Amerindian and two empires Spanish and Aztec In an age of exploration and conquest Spanish soldiers missionaries and merchants brought an

array of cultural preconceptions Their encounter with Aztec civilization coincided with Europe's rediscovery of classical antiquity and Tenochtitlan came to be regarded a second Rome or altera Roma Iberia's past as the Roman province of Hispania served to both guide and critique the Spanish overseas mission The dialogue that emerged between the Old World and the New World shaped a dual heritage into the unique culture of Nueva Espana In this volume ten eminent historians and archaeologists examine the analogies between empires widely separated in time and place and consider how monumental art and architecture created theater states a strategy that links ancient Rome Hapsburg Spain prequest Mexico and other imperial regimes

Imagining Heaven Ellen W. Williams,2024-01-01 Over the centuries humans have conjured images the stuff of dreams convictions and ardent desire to describe our afterlife The vision of heaven can appear as simple as a place among the stars or as complex as a universe filled with a multitude of busy souls Positioned at the intersection of art religion and culture this book sheds new light on human creativity in its portrayal of the afterlife Beginning with prehistoric burial objects that help with one's heavenly needs it travels through history to probe ancient texts examines enigmatic carvings dissects the meaning of paintings and discusses contemporary perspectives in film and media The author demonstrates that humans around the world have always had the capacity to confront the final frontier in spirited hopeful and beautiful ways

Encyclopedia of Vampire Mythology Theresa Bane,2017-02-10 From the earliest days of oral history to the present the vampire myth persists among mankind's deeply rooted fears This encyclopedia with entries ranging from Abchanchu to Zmeus includes nearly 600 different species of historical and mythological vampires fully described and detailed

Our Lady of Guadalupe Carl Anderson,Eduardo Chavez,2017-12-05 Nearly a decade after Spain's conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe's place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin's miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In Our Lady of

Guadalupe Mother of the Civilization of Love Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe's message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today
