The New Campus Anti-Rape Movement Caroline Heldman, Alissa R. Ackerman, Ian Breckenridge-Jackson, 2018-05-29 After 40 years of activists working to reduce sexual violence on college campuses in 2014 the new Campus Anti Rape Movement CARM finally put this issue on the national policy agenda President Barack Obama credited an inspiring wave of student led activism for catapulting campus rape into public consciousness This book positions the new CARM within a long history of anti sexual violence activism in the U S The authors describe the major events of this new movement and how it coalesced The authors also analyze the new CARM through a social movement lens and examine the role of new laws and social media

in facilitating movement successes The book argues that the new CARM laid the groundwork for the emergence of MeToo the highest profile campaign against sexual harassment violence to date in U S history Beat the College Admissions Game: Do a Project! , **Students' Guide to Colleges** Jordan Goldman, Colleen Buyers, 2005 A guide to one hundred of America s top schools features descriptions written by attending undergrads from various walks of life along with vital statistics and requirements for each school and information on the student body academics social life and *College Guide for Performing Arts Majors* Carole J. Everett, Peterson's, 2009-09-14 Describes graduate programs in art dance music and theater and lists undergraduate programs *College Student Leadership Development* Valerie I. Sessa, 2017-03-27 College Student Leadership Development introduces the idea that we all play a part in producing leadership and that learning how to participate in the process of leadership is something that all college students need to learn as part of their college academic experience Rather than approaching leadership from the traditional model emphasizing specific skill sets this book acquaints students with how to learn leadership using the ReAChS model of leadership development Reflection Assessment Challenge Support It then encourages students to directly engage their own experiences to hone their leader identity and understanding of leadership as well as improve their leadership knowledge and skills Step by step exercises lead students in reflecting on their experiences assessing themselves choosing challenges creating support networks and finally capturing and communicating to others what they have learned Throughout examples of student leaders experiences provide readers with powerful examples of others successes and struggles in leadership alongside the latest psychological research on learning and development Preparing Students for Life Beyond College Robert J. Nash, Jennifer J.J. Jang □□□, 2015-03-05 At a time when STEM research and new technologies are dominating the curricula of colleges and universities this important book refocuses the conversation on holistic education for all students Organized around the most important and difficult questions that students face Preparing Students for Life Beyond College explores a vision of education that will enable students to talk about universal issues openly and honestly preparing them for life beyond their formal education Featuring a variety of traditional and innovative pedagogies strategies recommendations and case studies this practical resource provides student affairs practitioners and higher education faculty in a variety of disciplines with concrete approaches for developing campuses and classes that encourage critical thinking and reflection This exciting book prepares colleges and universities to help students create meaning in their lives no matter the discipline campus location or delivery system

Polished Melissa Osborne, 2024-05-01 An illuminating look at the emotional costs of mobility faced by first generation and low income college students While college initiates a major transition in all students lives low income and first generation students attending elite schools are often entering entirely new worlds Amid the financial and academic challenges of adapting to college their emotional lives too undergo a transformation Surrounded by peers from different classes and cultural backgrounds they are faced with an impossible choice turn away from their former lives to blend in or stay true to

themselves and remain on the outside An ethnography that draws on in depth interviews with one hundred and fifty first generation and low income students across eighteen elite institutions Polished uncovers the hidden consequences of the promise of social mobility in today s educational landscape Sociologist Melissa Osborne reveals how the very support designed to propel first generation students forward can unexpectedly reshape their identities often putting them at odds with their peers and families Without direct institutional support this emotional journey can lead to alienation mental health challenges poor academic outcomes and difficult choices between upward mobility or maintaining authenticity and community Whether you re an educator advocate or student Polished provides a powerful perspective on the uncharted challenges of social mobility and personal identity during college *The Insider's Guide to the Colleges, 2009* Yale Daily News,2008-06-24 The comprehensive college guide is written by students who know firsthand what makes or breaks the undergraduate experience This work goes past admissions requirements to get to the stuff that matters most to students dorm life sports dating and of course food *The Insider's Guide to the Colleges, 2008* Yale Daily News,2007-06-26 Student journalists at the Yale Daily News interview fellow students at over 320 colleges in the U S and Canada to produce detailed profiles on each campus in this premier peer to peer guide to colleges and universities *The College Buzz Book* Carolyn C. Wise,Stephanie Hauser,2007-03-26 Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault s new guide does Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni Through these narratives Vault provides applicants with detailed balanced perspectives ***The College Buzz Book*** ,2006-03-23 In this new edition Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions as well as the schools responses to the comments Each 4 to 5 page entry is composed of insider comments from students and alumni as well as the schools responses to the comments ***Neon Genesis Evangelion: The Shinji Ikari Raising Project Volume 3*** Osamu Takahashi,2014-10-23 Now it s important for a father to participate when it s time for a parent teacher conference but you re still going to feel a little nervous as the student or if your father s name is Gendo Ikari a lot nervous While Shinji s girl troubles continue to be a public spectacle Kaworu and Ritsuko are going behind his back straight to SEELE Love comedy and mystery continue in Volume 3 ***Free to Make*** Dale Dougherty,2016-09-27 A fascinating study of the global Maker Movement that explores how making impacts our personal and social development perfect for enthusiastic DIY ers Dale Dougherty creator of MAKE magazine and the Maker Faire provides a guided tour of the international phenomenon known as the Maker Movement a social revolution that is changing what gets made how it s made where it s made and who makes it Free to Make is a call to join what Dougherty calls the renaissance of making an invitation to see ourselves as creators and shapers of the world around us As the internet thrives and world changing technologies like 3D printers and tiny

microcontrollers become increasingly affordable people around the world are moving away from the passivity of one size fits all consumption and command and control models of education and business Free to Make explores how making revives abandoned and neglected urban areas reinvigorates community spaces like libraries and museums and even impacts our personal and social development fostering a mindset that is engaged playful and resourceful Free to Make asks us to imagine a world where making is an everyday occurrence in our schools workplaces and local communities grounding us in the physical world and empowering us to solve the challenges we face
