Hanina My Son A Novel Of The First Century:

Hanina My Son Andrew Sanders,2001 Based on the historical account of the first century sage Hanina Ben Dosa Sanders creates a colorful tale of this great man Hanina lived in Roman occupied Israel he was involved with the development of Rabbinic Judaism and he interacted with early Christianity making this book of great interest to Jews Christians and fans of historical fiction

The Case for Mark Composed in Performance Antoinette Wire,2011-01-01 Is it possible to make a case that the Gospel of Mark was not composed by a single man from scattered accounts but in a process of people s telling Jesus story over several decades And what can we say about the tellers who were shaping this story for changing audiences After an introduction showing the groundwork already laid in oral tradition research the case begins by tracing the Mark we know back to several quite different early manuscripts which continue the flexibility of their oral ancestors The focus then turns to three aspects of Mark its language which is characterized as speech with special phrases and rhythms its episodes characterized by traditional forms and its overall story pattern that is common in oral reports of the time Finally several soundings are taken in Mark to test the thesis of performance composition two scenarios are projected of possible early tellers of this tradition and a conclusion summarizes major findings in the case Mark s writer turns out to be the one who transcribes the tradition probably adhering closely to it in order to legitimate the new medium of writing

The Book And The Sword David Weiss Halivni,2019-07-11 David Weiss Halivni emerges his original approach to critical study of the Talmudic text not only in its modern printed form but as it was in its original form the Oral Torah from the mouths of countless sages

The Book of Legends/Sefer Ha-Aggadah Hayyim Nahman Bialik,Y.H. Ravnitzky,1992-11-10 The first complete English translation of the Hebrew classic Sefer Ha Aggadah brings to the English speaking world the greatest and best loved anthology of classical Rabbinic literature ever compiled First published in Odessa in 1908 11 it was recognized immediately as a masterwork in its own right and reprinted numerous times in Israel The Hebrew poet Hayim Nahman Bialik and the renowned editor Yehoshua Hana Ravnitzky the architects of this masterful compendium selected hundreds of texts from the Talmud and midrashic literature and arranged them thematically in order to provide their contemporaries with easy access to the national literary heritage of the Jewish people the texts of Rabbinic Judaism that remain at the heart of Jewish literacy today Bialik and Ravnitzky chose Aggadah the non legal portions of the Talmud and Midrash for their anthology Loosely translated as legends Aggadah includes the genres of biblical exegesis stories about biblical characters the lives of the Talmudic era sages and their contemporary history parables proverbs and folklore A captivating melange of wisdom and piety fantasy and satire Aggadah is the expressive medium of the Jewish creative genius The arrangement of this compendium reflects the theological concerns of the Rabbinic sages the role of Israel and the nations God good and evil human relations the world of nature and the art of healing Here the reader who wants to explore traditional Jewish views on a particular subject is treated to a selection of relevant texts at his fingertips but will soon become immersed in a way of

thinking exploring and questioning that is the hallmark of Jewish inquiry Whatever the imagination can invent is found in the Aggadah wrote the historian Leopold Zunz its purpose always being to teach man the ways of God The Book of Legends Sefer Ha Aggadah now available in William Braude's superbly annotated translation enables modern Jews to experience firsthand the richness and excitement of their cultural inheritance

Joseph Perl's Revealer Of Secrets Dov Taylor, 2019-03-13 The dawning of the nineteenth century found the Jews of Eastern Europe torn between the forces of progress and reaction as they took their first tentative steps toward the modern world In a war of words and of books Haskala the Jewish Enlightenment did battle with the religious revival movement known as Hasidism Perl an ardent advocate of Enlightenment unleashed the opening salvo with the publication in 1819 of Revealer of Secrets The novel tried to pass itself off as a Hasidic holy book when it was in fact a broadside against Hasidism a parody of its teachings and of the language of its holy books The outraged Hasidim responded by buying up and burning as many copies as they could Dov Taylor's careful translation and commentary make this classic of Hebrew literature available and accessible to the contemporary English speaking reader while preserving the integrity and bite of Perl's original With Hasidism presently enjoying a remarkable rebirth the issues in Revealer of Secrets are all the more relevant to those seeking to balance reason and faith As the first Hebrew novel the work will also be of great interest to students of modern Hebrew literature and modern Jewish history

Journal of Biblical Literature ,1926

Jesus; a New Biography Shirley Jackson Case, 1968

Who's Who in the Age of Jesus Geza Vermes, 2006-08-03 The books of the New Testament are some of the most extraordinary documents ever created brilliant vivid works central to the lives of many millions of readers over the centuries Yet the picture they give of Jesus' world is a very partial one Written thirty to eighty years after the events they describe and with very specific doctrinal aims they addressed a Greek speaking audience when Christianity was at its most precarious Geza Vermes one of the world's foremost biblical scholars is uniquely positioned to guide the reader through the many conundrums presented by the New Testament Who's Who in the Age of Jesus is an ambitious and enjoyable attempt to sift through all the sources for the period to create biographies of the major and some fascinating minor figures from Jesus' era The book allows readers to understand a Jewish Roman and Hellenistic world crowded with explosive mutually antagonistic groups a world which would give rise both to a new Judaism and ultimately to Christianity From detailed convincing portraits of Jesus John the Baptist Pontius Pilate Herod and other key New Testament figures to the Jewish and Roman leaders like Hillel Caiaphas Augustus Vespasian and Titus hardly or not at all mentioned in the Gospels or the Acts of the Apostles Geza Vermes illustrated Who's Who will throw much fresh light on the age of Jesus and provoke innumerable arguments and discussions

Jesus and Purity Halakhah Thomas Kazen, 2021-12-03 This study traces Jesus' attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is

modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus eschatological struggle against demonic evil The result is that Jesus may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus behaviour for some sort of guidance today may perhaps find contemporary analogies

Mighty in Word and Deed Stephen Hultgren, 2025-05-06 This book is the first of a two volume work on the origins of the gospel form from a social memory approach Social memory takes account of both the individual and the community in the formation of the gospels by considering social frameworks and socially significant narrative patterns that individuals use to remember and recount the past Part 1 reviews the history of scholarship and then develops a social memory approach and a method of textual study drawing on insights from recent research on orality memory and narrative Part 2 offers a series of textual studies focusing on Capernaum and Nazareth illustrating factors that might have contributed to the construction of a gospel as an extended narrative inclusive of Jesus's words and deeds and why such a narrative was essential to early Christian memory of Jesus

The Heart of the Matter Arthur Green, 2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God's presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism's biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green's own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green's scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim that they are all of a piece They represent one man's attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question What does it mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher's description

The Interface of Orality and Writing Annette Weissenrieder, Robert B. Coote, 2015-10-13 How did the visual the oral and the written interrelate in antiquity The essays in

this collection address the competing and complementary roles of visual media forms of memory oral performance and literacy and popular culture in the ancient Mediterranean world Incorporating both customary and innovative perspectives the essays advance the frontiers of our understanding of the nature of ancient texts as regards audibility and performance the vital importance of the visual in the comprehension of texts and basic concepts of communication particularly the need to account for disjunctive and non reciprocal social relations in communication Thus the contributions show how the investigation of the interface of the oral and written across the spectrum of seeing hearing and writing generates new concepts of media and mediation *The Publishers Weekly* ,2001 [A Man Called Jesus](#) Rick Herrick,2015-01-01 Have you ever wondered about Nazareth as a place to live in the first century How about Jesus the miracle worker how did he do the great deeds reported of him in the New Testament A Man Called Jesus answers these questions and more It recreates Jesus as a Jew in contrast to the first Christian of the early church It s a novel that makes one central assumption about the historical Jesus He was a man all about love In doing so it creates a Jesus that is relevant for all times and all places [The Book of Miracles](#) Kenneth L. Woodward,2001-07-10 Woodward offers an intellectually rich look at the five great religions foundational miracles and those of the later sages and saints *A Book of Evidence* Nancy L. Kuehl,2013-03-08 Jesus was a Jew living in a Jewish culture and under Jewish laws laws that governed the people of Israel at a time of conflict with their Roman overlords A Book of Evidence takes into consideration the history of first century Jerusalem and is a unique presentation of the passion event written from a Jewish legal standpoint Find out why and how Jesus came to trial how the politics of the age and a corrupt government played a role in bringing him to death An examination of the numerous crimes of which Jesus was accused results in a reasonable explanation of the real blasphemy that caused him to be executed and an investigation into crucifixion as it was known during first century Jewish law Was the Jewish trial legal Was it a trial at all Was there a Roman trial or a simple hearing Where was the real execution site and burial tomb All these questions are answered in this gripping book Follow step by step along the path of Jesus during the Passover from the Garden of Gethsemane through the trials to the brutality of the execution and on to the garden tomb at Bethphage from which he was resurrected **A Book of Jewish Thoughts** Joseph Herman Hertz,1922 **A Book of Jewish Thoughts Selected and Arranged by the Chief Rabbi (Dr. J. H. Hertz)** Joseph Herman Hertz,1921 [The Religion of Jesus the Jew](#) Géza Vermès,1993 This book completes a remarkable trilogy The basic premise on which the project is founded is that a careful and impartial reconstruction of Jesus Jewish background is an essential preliminary to any reconstruction of Jesus himself

Jairus's Daughter and the Haemorrhaging Woman Arie W. Zwiep,2019-06-05 In this work Arie W Zwiep examines the gospel stories of the raising of Jairus s daughter and the healing of the haemorrhaging woman Mark 5 21 43 Matt 9 18 26 Luke 8 40 56 from a plurality of sometimes conflicting interpretive strategies to demonstrate the need and fruitfulness of a multi perspectival exegetical approach Among the various diachronic and synchronic methods that are being applied in this

study are philological criticism form criticism and structural analysis tradition and redaction criticism orality studies and performance criticism narrative analysis textual criticism and the study of intertextuality Such a comprehensive approach it is argued leads to an increased knowledge and a deepened understanding of the ancient texts in question and to a sharpened awareness of the applicability of current scholarly research instruments to unlock documents from the past

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Hanina My Son A Novel Of The First Century**

In a world inundated with displays and the cacophony of instantaneous interaction, the profound energy and emotional resonance of verbal artistry often disappear into obscurity, eclipsed by the constant onslaught of noise and distractions. Yet, located within the musical pages of **Hanina My Son A Novel Of The First Century**, a fascinating function of fictional brilliance that pulses with organic thoughts, lies an memorable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that magical opus books readers on a psychological odyssey, lightly revealing the latent potential and profound affect stuck within the complex internet of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is main themes, dissect their fascinating publishing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
